ITEM 30. INDEMNIFICATION

Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. Our charter contains such a provision which eliminates directors' and officers' liability to the maximum extent permitted by Maryland law, subject to the requirements of the 1940 Act.

Our charter authorizes us, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to obligate ourselves to indemnify any present or former director or officer or any individual who, while a director or officer and at our request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee, from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. Our bylaws obligate us, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to indemnify any present or former director or officer or any individual who, while a director or officer and at our request, serves or has served another corporation, real estate investment trust, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner, member, manager or trustee and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in any such capacity from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. The charter and

bylaws also permit us to indemnify and advance expenses to any person who served a predecessor of us in any of the capacities described above and any of our employees or agents or any employees or agents of our predecessor. In accordance with the 1940 Act, we will not indemnify any person for any liability to which such person would be subject by reason of such person's willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office.

Maryland law requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made, or threatened to be made, a party by reason of his or her service in that capacity. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made, or threatened to be made, a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that a personal benefit was improperly received, unless in either case a court orders indemnification, and then only for expenses. In addition, Maryland law permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for

indemnification by the corporation and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the standard of conduct was not met.

The Investment Advisory Agreement provides that, absent willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of the reckless disregard of its duties and obligations, Prospect Capital Management LLC (the “Adviser”) and its officers, managers, agents, employees, controlling persons, members and any other person or entity affiliated with it are entitled to indemnification from the Company for any damages, liabilities, costs and expenses (including reasonable attorneys’ fees and amounts reasonably paid in settlement) arising from the rendering of the Adviser’s services under the Investment Advisory Agreement or otherwise as an Investment Adviser of the Company.

The Administration Agreement provides that, absent willful misfeasance, bad faith or negligence in the performance of its duties or by reason of the reckless disregard of its duties and obligations, Prospect Administration LLC and its officers, manager, agents, employees, controlling persons, members and any other person or entity affiliated with it are entitled to indemnification from the Company for any damages, liabilities, costs and expenses (including reasonable attorneys’ fees and amounts reasonably paid in settlement) arising from the rendering of Prospect Administration LLC’s services under the Administration Agreement or otherwise as administrator for the Company.

The Administrator is authorized to enter into one or more sub-administration agreements with other service providers (each a “Sub-Administrator”) pursuant to which the Administrator may obtain the services of the service providers in fulfilling its responsibilities hereunder. Any such sub-administration agreements shall be in accordance with the requirements of the 1940 Act and other applicable U.S. Federal and state law and shall contain a provision requiring the Sub-Administrator to comply with the same restrictions applicable to the Administrator.

ITEM 31. BUSINESS AND OTHER CONNECTIONS OF INVESTMENT ADVISER

A description of any other business, profession, vocation or employment of a substantial nature in which the Adviser, and each managing member, director or executive officer of the Adviser, is or has been during the past two fiscal years, engaged in for his or her own account or in the capacity of director, officer, employee, partner or trustee, is set forth in Part A of this Registration Statement in the section entitled “Management.” Additional information regarding the Adviser and its officers and directors is set forth in its Form ADV, as filed with the Securities and Exchange Commission (SEC File No. 801-62969), and is incorporated herein by reference.

ITEM 34. UNDERTAKINGS

1. The Registrant undertakes to suspend the offering of shares until the prospectus is amended if (1) subsequent to the effective date of its registration statement, the net asset value declines more than ten percent from its net asset value as of the effective date of the registration statement; or (2) the net asset value increases to an amount greater than the net proceeds as stated in the prospectus.

2. The Registrant undertakes if the securities being registered are to be offered to existing stockholders pursuant to warrants or rights, and any securities not taken by stockholders are to be reoffered to the public, to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by underwriters during the subscription period, the amount of unsubscribed securities to be purchased by underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters of the securities being registered is to be made on terms differing from those set forth on the cover page of the prospectus, we will file a post-effective amendment to set forth the terms of such offering.
3. The Registrant undertakes:
 - a. to file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:
 - (1) to include any prospectus required by Section 10(a)(3) of the 1933 Act;
 - (2) to reflect in the prospectus any facts or events after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and
 - (3) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
 - b. that, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of those securities at that time shall be deemed to be the initial bona fide offering thereof;
 - c. to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;
 - d. that, for the purpose of determining liability under the 1933 Act to any purchaser, each prospectus filed pursuant to Rule 497(b), (c), (d) or (e) under the 1933 Act as part of a registration statement relating to an offering, other than prospectuses filed in reliance on Rule 430A under the 1933 Act, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use; and
 - e. that, for the purpose of determining liability of the Registrant under the 1933 Act to any purchaser in the initial distribution of securities: The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to the purchaser: (1) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 497 under the 1933 Act; (2) the portion of any advertisement pursuant to Rule 482 under the 1933 Act relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and (3) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
4. The Registrant undertakes that it will not sell any units consisting of combinations of securities that have not previously been described in a registration statement of the Registrant or an amendment thereto that was subject to review by the Commission and that subsequently became effective.

ISSUE, DESCRIPTION, EXECUTION, REGISTRATION AND EXCHANGE OF NOTES

Section 2.01 Designation and Amount. The Notes shall be designated as the “6.375% Convertible Notes due 2025.” The aggregate principal amount of Notes that may be authenticated and delivered under this Supplemental Indenture is initially limited to \$201,250,000,

subject to Section 2.10, and except for Notes authenticated and delivered upon registration or transfer of, or in exchange for, or in lieu of other Notes pursuant to Section 2.07, Section 10.02 and Section 11.02 hereof.

Section 2.02 Form of Notes. The Notes and the Trustee's certificate of authentication to be borne by such Notes shall be substantially in the form set forth in Exhibit A hereto.

Any of the Notes may have such letters, numbers or other marks of identification and such notations, legends or endorsements as the officers executing the same may approve (execution thereof to be conclusive evidence of such approval) and that are not inconsistent with the provisions of the Indenture, or as may be required by the Depository, as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, or to conform to usage or to indicate any special limitations or restrictions to which any particular Notes are subject.

So long as the Notes are eligible for book-entry settlement with the Depository, unless otherwise required by law, all Notes shall be represented by one or more Notes in global form (each, a "Global Note") registered in the name of the Depository or the nominee of the Depository. The transfer and exchange of beneficial interests in a Global Note, which does not involve the issuance of a definitive Note, shall be effected through the Depository (but not the Trustee or the Custodian) in accordance with the Indenture and the procedures of the Depository therefor.

A Global Note shall represent such principal amount of the Outstanding Notes as shall be specified therein and shall provide that it shall represent the aggregate principal amount of Outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of Outstanding Notes represented thereby may from time to time be increased or reduced to reflect repurchases, conversions, transfers or exchanges permitted hereby. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of Outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in such manner and upon instructions given by the Holder of such Notes in accordance with the Indenture. Payment of principal and accrued and unpaid interest on a Global Note shall be made to the Holder of such Note on the date of payment, unless a Record Date or other means of determining Holders eligible to receive payment is provided for herein.

The terms and provisions contained in the form of Note attached as Exhibit A hereto are incorporated herein and shall constitute, and are hereby expressly made, a part of this Supplemental Indenture and to the extent applicable, the Company and the Trustee, by their execution and delivery of this Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby.

Section 2.03 Date and Denomination of Notes; Payments of Interest. The Notes shall be issuable in registered form without coupons in denominations of \$1,000 principal amount and integral multiples thereof. Each Note shall be dated the date of its authentication and shall bear interest from the date specified on the face of the form of Note attached as Exhibit A hereto. Interest on the Notes shall be computed on the basis of a 360-day year comprised of twelve 30-day months. If an Interest Payment Date, a Fundamental Change Repurchase Date, a Redemption Date or Maturity Date is not a Business Day, payment will be made on the next succeeding Business Day, and no additional interest will accrue thereon as a result thereof.

The Person in whose name any Note (or its Predecessor Security) is registered on the Note Register at the Close of Business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the accrued and unpaid interest payable on such Interest Payment Date, subject to Section 4.02(b) hereof. Interest shall be payable at the office of the Company maintained by the Company for such purposes in the Borough of Manhattan, City of New York, which shall initially be an office or agency of the Trustee. The Company shall pay interest (i) on any Notes in certificated form by check mailed to the address of the Person entitled thereto as it appears in the Note Register (or upon written application by such Person to the Security Registrar not later than the relevant Record Date, by wire transfer in immediately available funds to such Person's account within the United States, if such Person is entitled to interest on an aggregate principal in excess of \$2,000,000) or (ii) on any Global Note by wire transfer of immediately available funds to the account of the Depository or its nominee. The term "Record Date" with respect to any Interest Payment Date shall mean the February 15 or August 15 preceding the applicable March 1 or September 1 Interest Payment Date, respectively.

Section 2.04 Security Registrar, Conversion Agent and Paying Agent. The Trustee shall initially serve as the Security Registrar, Conversion Agent and Paying Agent for the Notes. The Security Registrar, the Conversion Agent and the Paying Agent shall each maintain an office or agency in the Borough of Manhattan, New York City. The Security Registrar shall keep a register of the Notes and of their

transfer and exchange (the “Note Register”). The Company may have one or more co-registrars and one or more additional conversion agents and paying agents. The term Paying Agent includes any additional paying agents, the term Conversion Agent includes any additional conversion agents and the term Security Registrar includes any co-registrar. The Company may appoint and change any Paying Agent, Conversion Agent or Security Registrar without prior notice to any Holder.

The Company shall enter into an appropriate agency agreement with any Security Registrar, Conversion Agent or Paying Agent that is not a party to this Supplemental Indenture. The agreement shall implement the provisions of this Supplemental Indenture that relate to such agent. The Company shall notify the Trustee in writing of the name and address of each such agent. If the Company fails to maintain a Security Registrar, Conversion Agent or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Article VI of the Base Indenture. The Company or any of its domestically incorporated Subsidiaries may act as Paying Agent, Conversion Agent or Security Registrar.

The Company may remove any Security Registrar, Conversion Agent or Paying Agent upon written notice to such Security Registrar, Conversion Agent or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Company and such successor Security Registrar, Conversion Agent or Paying Agent, as the case may be, and such agreement is delivered to the Trustee or (ii) notification to the Trustee that the Trustee shall serve as Security Registrar, Conversion Agent or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Security Registrar, Conversion Agent or Paying Agent may resign at any time upon written notice to the Company and the Trustee.

Section 2.05 Conversion Agent and Paying Agent to Hold Money and Property in Trust. Except as otherwise provided herein, on or prior to 1:00 p.m. (New York City time) on each due date of payment or settlement date of conversion in respect of any Note, the Company shall deposit with the Paying Agent or Conversion Agent, as applicable, a sum of money (in immediately available funds) and any property due upon conversion sufficient to make such payments or conversion when due. The Company shall require each Paying Agent or Conversion Agent (other than the Trustee) to agree in writing that such Paying Agent or Conversion Agent shall hold in trust for the benefit of Holders or the Trustee all money or property held by such Paying Agent or Conversion Agent for the payment of principal of, interest on, and other payments and conversion in respect of the Notes, and shall notify the Trustee in writing of any Default by the Company in making any such payment or conversion. If the Company or a Subsidiary acts as Paying Agent or Conversion Agent, it shall segregate the money or property held by it as Paying Agent or Conversion Agent and hold it as a separate trust fund for the benefit of the Holders of the Notes. The Company at any time may require a Paying Agent or Conversion Agent (other than the Trustee) to pay all money or property held by it to the Trustee and to account for any funds disbursed by such Paying Agent or Conversion Agent. Upon complying with this Section 2.05, the Paying Agent or Conversion Agent (if other than the Company or a Subsidiary) shall have no further liability for the money or property delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Company, the Trustee shall serve as Paying Agent and Conversion Agent for the Notes.

Section 2.06 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Security Registrar, the Company, on its own behalf, shall furnish to the Trustee, in writing, at least seven Business Days before each Interest Payment Date and at such other times as the Trustee may reasonably request in writing upon at least 15 days’ prior written request, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

Section 2.07 Mutilated, Destroyed, Lost or Stolen Notes.

If any mutilated Note is surrendered to the Trustee or the Company, together with such security or indemnity as may be required by the Company or the Trustee to save each of them or any agent of either of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Note of the same series and principal amount, containing identical terms and provisions and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and to the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of

any Note, and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of actual notice to the Company or the Trustee that such Note has been acquired by a bona fide purchaser, the Company shall execute and upon its written request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Note, a new Note of the same series and principal amount, containing identical terms and provisions and bearing a number not contemporaneously outstanding.

Notwithstanding the provisions of the previous two paragraphs, in case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay the amount due and payable with respect to such Note.

Upon the issuance of any new Note under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of the Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.08 Cancellation.

To the extent permitted by law, the Company may from time to time repurchase any Notes in the open market or by tender offer at any price or by private agreement without giving prior notice to Holders. The Company may, at its option, surrender any Notes repurchased by it to the Trustee for cancellation, but may not reissue or resell such Notes.

The Company at any time may deliver Notes to the Trustee for cancellation. The Security Registrar, the Paying Agent and the Conversion Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange, payment or conversion. The Trustee and no one else shall cancel and dispose of them in accordance with its customary procedures and upon written request of the Company shall return to the Company all Notes surrendered for registration of transfer, exchange, payment, purchase, conversion or cancellation. All Notes so delivered to the Trustee may not be reissued or resold and shall be cancelled promptly by the Trustee. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation.

At such time as all beneficial interests in a Global Note have either been exchanged for definitive Notes, transferred, paid, repurchased, redeemed, converted or canceled, such Global Note shall be returned by the Depository or the Custodian to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for definitive Notes, transferred in exchange for an interest in another Global Note, paid, repurchased, redeemed, converted or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the Global Note and on the books and records of the Trustee (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Custodian, to reflect such reduction.

Section 2.09 Payment of Interest; Defaulted Interest.

Subject to Section 4.02, interest on any Note that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Note (or one or more Predecessor Securities) is registered at the Close of Business on the Record Date for such interest at the office or agency of the Company maintained for such purpose pursuant to Section 2.04.

Subject to Section 4.02, any interest on any Note that is payable, but is not punctually paid or duly provided for, on any Interest Payment Date shall forthwith cease to be payable to the registered Holder thereof on the relevant Record Date by virtue of having been such Holder, and such defaulted interest and, if applicable, interest on such defaulted interest (to the extent lawful) at the rate or formula specified in the Notes of such series (such defaulted interest and, if applicable, interest thereon herein collectively called "Defaulted Interest") may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective Predecessor Securities) are registered at the Close of Business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment (which shall not be less than 20 days after such notice is received by the Trustee), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice (which notice shall be prepared by the Company) of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Notes at his address as it appears in the Note Register not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the Persons in whose names the Notes (or their respective Predecessor Securities) are registered at the Close of Business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company, in writing, to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.09, each Note delivered under this Supplemental Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.10 Additional Notes.

The Company may, without the consent of the Noteholders and notwithstanding Article II, increase the principal amount of the Notes by issuing additional Notes (“Additional Notes”) of the same series as the Initial Notes in the future in an unlimited aggregate principal amount on the same terms and conditions, except for any differences in the issue price and interest accrued prior to the issue date of the Additional Notes and, at the option of the Company, the first payment of interest following the issue date of such Additional Notes; provided that such differences do not cause the Additional Notes to constitute a different class of securities than the Notes for U.S. federal income tax purposes. The Notes and any Additional Notes shall rank equally and ratably and shall be treated as a single class for all purposes under the Indenture including, without limitation, for purposes of any waivers, supplements or amendments to the Indenture requiring the approval of Holders of the Notes and any offers to purchase the Notes. All provisions of the Indenture shall be construed and interpreted to permit the issuance of such Additional Notes and to allow such Additional Notes to become fungible and interchangeable with the Initial Notes issued under the Indenture. No Additional Notes may be issued if an Event of Default has occurred with respect to the Notes and is continuing.

Section 2.11 Execution, Authentication, Delivery and Dating.

The Notes shall be executed on behalf of the Company by its President or a Vice President and attested by its Secretary or an Assistant Secretary. The signature of any of these officers on the Notes may be manual or facsimile signatures of the present or any future such authorized officer and may be imprinted or otherwise reproduced on the Notes. Notes bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of such Notes.

A Note shall not be valid until an authorized signatory of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under the Indenture.

The Trustee will, upon receipt of a Company Order, authenticate Notes, including any Additional Notes, in an unlimited aggregate principal amount, subject to the provisions of the Indenture. Each Company Order will specify the amount of Notes to be authenticated, the date on which the Notes are to be authenticated and, in the case of Additional Notes, the issue price of such Notes.

The Trustee may appoint an agent (the “Authenticating Agent”) reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in the Indenture to authentication by the Trustee includes authentication by such Authenticating Agent.

In case the Company pursuant to Article IX shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which the Company shall have been merged, or the Person that shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article VIII, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may, from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon Company Order of the successor Person, shall authenticate and deliver Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.11 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time Outstanding for Notes authenticated and delivered in such new name.

Section 2.12 Ranking. The Notes constitute a general senior unsecured obligation of the Company, ranking equally in right of payment with all of the existing and future senior unsecured indebtedness of the Company (including the Senior Notes and Prospect Capital InterNotes) and ranking senior in right of payment to any future indebtedness of the Company that is expressly made subordinate to the Notes by the terms of such indebtedness.

Section 2.13 CUSIP Numbers. The Company in issuing the Notes and Common Stock upon conversion of the Notes may use CUSIP numbers (if then generally in use). The Trustee shall not be responsible for the use of CUSIP numbers, and the Trustee makes no representation as to their correctness as printed on any Note, certificate of Common Stock or notice to Holders and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any change in the CUSIP numbers.

ARTICLE III

REDEMPTION

Section 3.01 Applicability of Article XI of the Base Indenture. Article XI of the Base Indenture shall not apply to the Notes. Instead, the provisions of this Article III shall, with respect to the Notes, supersede in its entirety Article XI of the Base Indenture.

Section 3.02 No Sinking Fund. Article XII of the Base Indenture shall not apply with respect to the Notes and no sinking fund is provided for the Notes.

Section 3.03 Redemption.

(a) The Notes shall not be redeemed by the Company prior to December 1, 2024. On or after December 1, 2024, the Company may redeem the Notes (a “Redemption”) for cash, in whole or from time to time in part, at the Company’s option, at a redemption price (the “Redemption Price”) equal to the sum of (i) 100% of the principal amount of the Notes to be redeemed, (ii) accrued and unpaid interest thereon to,

but excluding, the Redemption Date and (iii) the Make-Whole Premium; provided, however, that if the Redemption Date falls after a Record Date and on or prior to the Interest Payment Date to which such Record Date relates, the Company will pay the full amount of accrued and unpaid interest to the Holder of record on such Record Date and the Redemption Price will instead be equal to 100% of the principal amount of the Notes to be redeemed.

Section 3.04 Notice of Redemption; Selection of Notes.

(a) If the Company wishes to exercise its right to redeem all or, as the case may be, any part of the Notes pursuant to Section 3.03, it shall fix a date for Redemption (each, a “Redemption Date”), and it or, at its written request received by the Trustee, the Trustee, in the name of and at the expense of the Company, shall provide notice of such Redemption (a “Redemption Notice”) not less than 10 nor more than 30 calendar days prior to the Redemption Date by mail or electronic delivery to each Holder of Notes so to be redeemed as a whole or in part at its last address as the same appears on the Note Register. The Redemption Date must be a Business Day.

(b) The Redemption Notice, if mailed in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, failure to give such Redemption Notice by mail to the Holder of any Note designated for Redemption as a whole or in part, or any defect in the Redemption Notice, shall not affect the validity of the proceedings for the redemption of any other Note.

(c) Each Redemption Notice shall specify:

(i) the Redemption Date;

(ii) the Redemption Price;

(iii) that on the Redemption Date, the Redemption Price will become due and payable upon each Note to be redeemed, and that interest thereon, if any, shall cease to accrue on and after the Redemption Date;

(iv) the place or places where such Notes are to be surrendered for payment of the Redemption Price;

(v) that Holders may surrender their Notes for conversion at any time prior to the Close of Business on the Business Day immediately preceding the Redemption Date;

(vi) the procedures a converting Holder must follow to convert its Notes;

(vii) the then-current Conversion Rate;

(viii) the CUSIP and ISIN or other similar numbers, if any, assigned to such Notes; and

(ix) in case any Note is redeemed in part only, the portion of the principal amount thereof to be redeemed and that on and after the Redemption Date, upon surrender of such Note, a new Note in principal amount equal to the unredeemed portion thereof shall be issued.

(d) A Redemption Notice shall be irrevocable.

(e) If fewer than all of the outstanding Notes are to be redeemed, the Notes shall be selected for Redemption (in principal amounts of \$1,000 or multiples thereof) in accordance with the Applicable Procedures of DTC, in the case of Global Notes, and by lot, in the case of certificated Notes.

(f) If a Holder converts a Note a portion of which has been selected for Redemption, the converted portion will be deemed to be from the portion selected for Redemption.

(g) In the event of any Redemption in part, the Company shall not be required to register the transfer of or exchange any Note so selected for Redemption, in whole or in part, except the unredeemed portion of any Note being redeemed in part.

Section 3.05 Payment of Notes Called for Redemption.

(a) If any Redemption Notice has been given in respect of the Notes in accordance with Section 3.04, the Notes shall become due and payable on the Redemption Date at the place or places stated in the Redemption Notice and at the applicable Redemption Price. On presentation and surrender of the Notes at the place or places stated in the Redemption Notice, the Notes shall be paid and redeemed by the Company at the applicable Redemption Price.

(b) Prior to the Open of Business on the Redemption Date, the Company shall deposit with the Paying Agent or, if the Company or a Subsidiary of the Company is acting as the Paying Agent, shall segregate and hold in trust as provided in Section 6.05 of the Base Indenture an amount of cash (in immediately available funds if deposited on the Redemption Date), sufficient to pay the Redemption Price of all of the Notes to be redeemed on such Redemption Date. Subject to receipt of funds by the Paying Agent, payment for the Notes to be redeemed shall be made on the Redemption Date for such Notes. The Paying Agent shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Redemption Price.

Section 3.06 Restrictions on Redemption.

(a) The Company may not redeem any Notes on any date if the principal amount of the Notes has been accelerated in accordance with the terms of the Indenture, and such acceleration has not been rescinded, on or prior to the Redemption Date (except in the case of an acceleration resulting from a Default by the Company in the payment of the Redemption Price with respect to such Notes).

ARTICLE IV

PARTICULAR COVENANTS OF THE COMPANY

Section 4.01 Applicability of Article X of the Base Indenture. Article X of the Base Indenture shall not apply to the Notes. Instead, the provisions of this Article IV shall, with respect to the Notes, supersede in its entirety Article X of the Base Indenture and all references in the Base Indenture to Article X thereof shall be deemed, for the purposes of the Notes, to be references to this Article IV.

Section 4.02 Payment of Notes.

(a) The Company covenants and agrees for the benefit of the Holders of the Notes that it will duly and punctually pay the principal of and interest on the Notes in accordance with the terms of such Notes and this Supplemental Indenture. Interest on any Note that is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid pursuant to Section 2.03.

(b) Except as otherwise provided in this Section 4.02, a Holder of any Notes at the Close of Business, on a Record Date shall be entitled to receive interest on such Notes on the corresponding Interest Payment Date. A Holder of any Notes as of a Record Date that are

converted after Close of Business on such Record Date and prior to the Open of Business on the corresponding Interest Payment Date shall be entitled to receive accrued and unpaid interest on the principal amount of such Notes, notwithstanding the conversion of such Notes prior to such Interest Payment Date.

(c) On the Maturity Date, the Company will pay accrued and unpaid interest to the Person to whom the Company pays the principal amount of the Notes.

Section 4.03 Maintenance of Office or Agency.

The Company will maintain in the Borough of Manhattan, New York City, an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Security Registrar or co-registrar) where Notes may be surrendered for registration of transfer, exchange or conversion and where notices and demands to or upon the Company in respect of the Notes and this Supplemental Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, New York City, for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company.

Section 4.04 Compliance Certificate, Notice of Default.

The Company shall deliver to the Trustee within 120 calendar days after the end of each fiscal year of the Company an Officers' Certificate, one of the signatories of which shall be the chief executive officer, chief financial officer or chief accounting officer of the Company, stating that in the course of the performance by the signer of his or her duties as an officer of the Company, he or she would normally have knowledge of any Default and whether or not such signer knows of any Default that occurred during such period. If such signer does have knowledge of a Default, the certificate shall describe the Default, its status and what action the Company is taking or proposes to take with respect thereto.

The Company shall deliver to the Trustee, promptly and in any event within five calendar days after the Company becomes aware of the occurrence of any Default or Event of Default, an Officers' Certificate setting forth the details of such Default or Event of Default and the action that the Company is taking or proposes to take with respect thereto.

Section 4.05 Reservation of Common Stock.

The Company shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Common Stock or shares held in treasury by the Company, for the purpose of effecting the conversion of Notes, the full number of shares of Common Stock then issuable upon the conversion of all Outstanding Notes.

Section 4.06 Issuance of Shares.

All shares of Common Stock delivered upon conversion of the Notes shall be newly issued shares or shares held in treasury by the Company, shall have been duly authorized and validly issued and shall be fully paid and nonassessable, and shall be free from preemptive rights and free of any Lien or adverse claim.

Section 4.07 Transfer Taxes.

If a Holder converts Notes into shares of Common Stock, the Company will pay any and all documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. The Company shall not, however, be required to pay any tax or duty that may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that of the Holder of the Note or Notes to be converted, and no such issue or delivery shall be made unless and until the Person requesting such issue has paid to the Company the amount of any such tax or duty, or has established to the satisfaction of the Company that such tax or duty has been paid.

Section 4.08 Reports by Company.

(a) The Company shall deliver to the Trustee, within 15 days after filing with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may by rules and regulations prescribe) that it is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act. All required reports, information and documents referred to in this Section 4.08 shall be deemed to be delivered to the Trustee at the time such reports, information and documents are publicly filed with the Commission via the Commission's EDGAR and/or IDEA filing system (or any successor system).

(b) Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to conclusively rely exclusively on an Officers' Certificate). Notwithstanding anything to the contrary in this Section 4.08, the Company, to the extent permitted under the Trust Indenture Act, shall not be required to deliver to the Trustee or the Holders any material for which the Company has sought and received confidential treatment by the Commission.

Section 4.09 Compliance with Investment Company Act. The Company hereby agrees that for the period of time during which the Notes are Outstanding, the Company will not violate, whether or not it is subject to, Section 18(a)(1)(A) as modified by Section 61(a) of the Investment Company Act of 1940 or any successor provisions thereto of the Investment Company Act of 1940, as such obligation may be amended or superseded but giving effect to any exemptive relief that may be granted to the Company by the Commission.

ARTICLE V

DEFAULTS AND REMEDIES

Section 5.01 Applicability of Article V of the Base Indenture. Article V of the Base Indenture shall not apply to the Notes. Instead, the provisions of this Article V shall, with respect to the Notes, supersede in its entirety Article V of the Base Indenture and all references in the Base Indenture to Article V thereof and the provisions therein, as the case may be, shall, with respect to the Notes, be deemed to be references to this Article V and the applicable provisions set forth in this Article V, respectively.

Section 5.02 Each of the following shall be Events of Default with respect to the Notes:

(a) failure by the Company to pay any interest (including Filing Additional Interest, if any) on the Notes when due and such failure continues for a period of 30 calendar days;

(b) failure by the Company to pay principal of the Notes when due at the Maturity Date, or failure by the Company to pay the Fundamental Change Repurchase Price payable or Redemption Price payable, in respect of any Notes when due;

(c) failure by the Company to deliver shares of Common Stock upon the conversion of any Notes and such failure continues for five Business Days following the scheduled settlement date for such conversion;

(d) failure by the Company to issue a Fundamental Change Company Notice on a timely basis in accordance with Section 11.02 when due;

(e) a failure to pay principal when due (whether at stated maturity or otherwise) or an uncured Default that results in the acceleration of maturity, of any indebtedness for borrowed money of the Company or any of its Significant Subsidiaries in an aggregate amount in excess of \$50,000,000 (or its foreign currency equivalent), unless such indebtedness is discharged, or such acceleration is rescinded, stayed or annulled, within a period of 30 calendar days after written notice of such failure or uncured Default is given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the Notes then Outstanding;

(f) Default in the performance, or breach, of any covenant or warranty of the Company in the Indenture with respect to any Note (other than a covenant or warranty a Default in whose performance or whose breach is elsewhere in this Section specifically dealt with), and continuance of such Default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Notes a written notice specifying such Default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder;

(g) the Company or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(i) commences a voluntary case,

(ii) consents to the entry of an order for relief against it in an involuntary case,

(iii) consents to the appointment of a Custodian of it or for all or substantially all of its property, or

(iv) makes a general assignment for the benefit of its creditors;

(h) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Company or any Significant Subsidiary in an involuntary case,

(ii) appoints a Custodian of the Company or any Significant Subsidiary, or for all or substantially all of either of its property, or

(iii) orders the liquidation of the Company or any Significant Subsidiary, and the order or decree remains unstayed and in effect for 90 days.

The Company shall be required to notify the Trustee promptly upon becoming aware of the occurrence of any Default under the Indenture with respect to the Notes. Notwithstanding anything to the contrary in the Indenture, the sole remedy for the failure by the Company to comply with Section 4.07, and for any failure to comply with the requirements of Section 314(a)(1) of the Trust Indenture Act, if applicable (each, a “Filing Failure”), will, at the Company’s option, for the 365 days after the occurrence an Event of Default relating to such Filing Failure consist of the right to receive additional interest on the Notes (“Filing Additional Interest”) at an annual rate equal to 0.50% of the principal amount of the Notes. In the event the Company does not elect to pay the Filing Additional Interest upon the occurrence of an Event of Default relating to a Filing Failure or such Filing Failure continues for more than 365 days after the occurrence of the Event of Default related thereto, the Notes will be subject to acceleration in accordance with Section 5.03. The Filing Additional Interest will be payable in arrears on each Interest Payment Date, and will be payable in the same manner as, the interest payable with respect to the Notes, and will accrue on all Outstanding Notes from and including the date on which the Event of Default relating to Filing Failure first occurs to but not including the 365th day thereafter (or such earlier date on which the Filing Failure shall have been cured or waived). On such 365th day (or such earlier date on which the Filing Failure shall have been cured or waived),

the Filing Additional Interest shall cease to accrue.

Section 5.03 Acceleration.

(a) In the case of an Event of Default specified in clause (g) or (h) of Section 5.02 hereof with respect to the Company, all Outstanding Notes will become due and payable immediately without further action or notice by the Trustee or any Holder. Subject to Section 5.02, if any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then Outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and payable immediately.

(b) Notwithstanding the foregoing, if an Event of Default specified in clause (e) of Section 5.02 occurs resulting in a declaration of acceleration of the Notes, such declaration of acceleration shall be automatically annulled if such Event of Default triggering such declaration of acceleration pursuant to clause (e) of Section 5.02 shall have been remedied or cured by the Company or any of its Subsidiaries or waived by the holders of the relevant indebtedness within 60 days of the declaration of acceleration with respect thereto and if (i) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (ii) all existing Events of Default, except nonpayment of principal or interest on the Notes that became due and payable solely because of the acceleration of the Notes, have been cured or waived.

(c) At any time after a declaration of acceleration with respect to the Notes as described in this Section 5.03, the Holders of a majority in aggregate principal amount of the Outstanding Notes may rescind and cancel such declaration and its consequences: (i) if the rescission would not conflict with any judgment or decree of a court of competent jurisdiction; (ii) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration; (iii) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid; and (iv) if the Company has paid (or deposited with the Trustee a sum sufficient to pay) the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances (including, but not limited to, reasonable attorneys' fees and expenses). No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 5.04 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal and interest on the Notes or to enforce the performance of any provision of the Notes or the Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 5.05 Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Notes Outstanding may, on behalf of the Holders of all the Notes, consent to the waiver of any past Default or Event of Default under the Indenture and its consequences, except:

- (1) failure by the Company to pay principal of or interest (including Filing Additional Interest, if any) on the Notes when due;
- (2) failure by the Company to deliver shares of Common Stock upon the conversion of any Notes;

(3) failure by the Company to pay the Fundamental Change Repurchase Price on the Fundamental Change Repurchase Date in connection with a Holder of Notes exercising its repurchase rights in accordance with the Indenture; or

(4) failure of the Company to comply with a covenant or provision of the Indenture which under Article VIII cannot be modified or amended without the consent of the Holder of each Outstanding Note affected thereby.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the Indenture and the Notes; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 5.06 Control by Majority.

Holders of a majority in aggregate principal amount of the then Outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or the Indenture or, subject to the Trustee's duties under the Trust Indenture Act, that the Trustee determines in good faith may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 5.07 Limitation on Suits.

A Holder may pursue a remedy with respect to the Indenture or the Notes only if:

(a) such Holder gives to the Trustee written notice that an Event of Default is continuing;

(b) Holders of at least 25% in aggregate principal amount of the then Outstanding Notes make a written request to the Trustee to pursue the remedy as Trustee;

(c) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee does not comply with the request within 60 calendar days after receipt of the request and the offer of security or indemnity; and

(e) during such 60-day period, Holders of a majority in aggregate principal amount of the then Outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use the Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 5.08 Rights of Holders of Notes to Receive Payment or Effect Conversion.

Notwithstanding any other provision of the Indenture, the right of any Holder of a Note to receive payment of principal and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to repurchase or a Redemption), or to bring suit for the enforcement of any such payment on or after such respective dates or the right to convert Notes in accordance with Article X of this Supplemental Indenture, shall not be impaired or affected without the consent of such Holder.

Section 5.09 Collection Suit by Trustee.

If an Event of Default specified in Section 5.02(a) or (b) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company, and to enforce such judgment and collect the monies adjudicated or decreed to be payable, for the whole amount of principal of and interest remaining unpaid on the Notes, interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 5.10 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Article VI of the Base Indenture. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Article VI of the Base Indenture out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 5.11 Priorities.

If the Trustee collects any money pursuant to this Article V, it shall pay out the money in the following order:

First: to the Trustee (or any predecessor Trustee), its agents and attorneys for amounts due under Article VI of the Base Indenture, including payment of all reasonable compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest, respectively; and

Third: to the Company or such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 5.11. If a record date is fixed, the Trustee shall send, by first class mail, electronically or by any other means approved by the Trustee to the Holders of the Notes of record a notice at least 30 days but not more than 60 days before the payment date. Such notice shall state: (1) that a payment is being made pursuant to this Section 5.11, (2) the relevant Default and the circumstances giving rise to the collection of money pursuant to this Section 5.11, (3) the payment date and (4) the amount of such payment per \$1,000 of Notes.

Section 5.12 Undertaking for Costs.

All parties to this Supplemental Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, in any suit for the enforcement of any right or remedy under the Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 5.12 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 5.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then Outstanding Notes.

ARTICLE VI

TRUSTEE

Section 6.01 Applicability of Section 6.01 of the Base Indenture. Section 6.01 of the Base Indenture shall not apply to the Notes. Instead, the provisions of Section 6.02 of this Supplemental Indenture shall, with respect to the Notes, supersede in its entirety Section 6.01 of the Base Indenture and all references in the Base Indenture to Section 6.01 thereof shall, with respect to the Notes, be deemed to be references to Section 6.02 of this Supplemental Indenture.

Section 6.02 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and the Trustee receives written notice thereof from the Company, the Trustee shall, except as provided below, mail to each Holder notice of the Default or Event of Default within 90 days of being notified by the Company pursuant to Section 4.04 of this Supplemental Indenture unless such Default or Event of Default has been cured or waived. Except in the case of a Default or Event of Default in payment of principal or interest on any Note (including any Filing Additional Interest, if any, and payments pursuant to the required repurchase provisions of such Note, if any), the Trustee may withhold the notice if and so long as its board of directors, a committee of its board of directors or a committee of its Responsible Officers and/or a Responsible Officer in good faith determines that withholding the notice is in the interests of registered Holders.

ARTICLE VII

SATISFACTION AND DISCHARGE OF INDENTURE; UNCLAIMED MONEYS

Section 7.01 Applicability of Article IV of the Base Indenture. Article IV of the Base Indenture shall not apply to the Notes. Instead, the provisions of this Article VII shall, with respect to the Notes, supersede in its entirety Article IV of the Base Indenture and all references in the Base Indenture to Article IV thereof shall be deemed, for the purposes of the Notes, to be references to this Article VII.

Section 7.02 Satisfaction and Discharge of Indenture. When (a) the Company delivers to the Trustee all Outstanding Notes (other than Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.07) for cancellation or (b) all Outstanding Notes have become due and payable and the Company deposits with the Trustee, the Paying Agent or the Conversion Agent, as applicable, whether at the Stated Maturity or any Fundamental Change Repurchase Date or Redemption Date, upon conversion or otherwise, shares of Common Stock (or Reference Property) and cash, as applicable under the Indenture, sufficient to pay all amounts due and owing on all Outstanding Notes (other than Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.07); and if, in any such case, the Company shall also pay or cause to be paid all other sums payable hereunder by the Company, then the Indenture shall cease to be of further effect, and the Trustee, on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the satisfaction and discharge contemplated by this provision have been complied with, and at the cost and expense of the Company, shall execute proper instruments acknowledging such satisfaction and discharging the Indenture. The Company agrees to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred, and to compensate the Trustee for any services thereafter reasonably and properly rendered, by the Trustee in connection with the Indenture or the Notes.

Section 7.03 Application of Funds or Securities Deposited for Payment of Notes. All moneys or securities deposited with the Trustee, Paying Agent or Conversion Agent, as applicable, shall be held in trust and applied by it to the payment, either directly or through any Paying Agent or Conversion Agent (other than the Company or any Subsidiary thereof, as applicable), to the Holders of the Notes for the payment of which such moneys or securities have been deposited, of all sums due and to become due thereon, but such money need not be segregated from other funds or securities except to the extent required by law.

Section 7.04 Repayment by Trustee, Paying Agent or Conversion Agent.

In connection with the satisfaction and discharge of this Supplemental Indenture with respect to the Notes, all moneys or

securities then held by any Paying Agent or Conversion Agent under the provisions of the Indenture with respect to the Notes shall, upon demand of the Company, be repaid to it and thereupon such Paying Agent or Conversion Agent shall be released from all further liability with respect to such moneys or securities.

Any moneys or securities deposited with or paid to the Trustee, Paying Agent or Conversion Agent, as applicable, for the payment of any amount on the Notes and not applied but remaining unclaimed for two years after the date upon which such amount shall have become due and payable, shall, upon the written request of the Company and unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property law, be repaid to the Company by the Trustee, Paying Agent or Conversion Agent, as applicable, and the Holder of the Notes shall, unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property laws, thereafter look only to the Company for any payment which such Holder may be entitled to collect, and all liability of the Trustee, Paying Agent or Conversion Agent with respect to such moneys or securities shall thereupon cease; provided, however, that the Trustee, Paying Agent or Conversion Agent, before being required to make any such repayment with respect to moneys or securities deposited with it for any payment in respect of the Notes, shall, at the expense of the Company, mail by first-class mail to Holders of the Notes at their addresses as they shall appear on the Note Register notice that such moneys or securities remain and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing or publication, any unclaimed balance of such money or securities then remaining will be repaid to the Company.

ARTICLE VIII

SUPPLEMENTAL INDENTURES AND AMENDMENTS

Section 8.01 Applicability of Article IX of the Base Indenture. Article IX of the Base Indenture shall not apply to the Notes. Instead, the provisions of this Article VIII shall, with respect to the Notes, supersede in its entirety Article IX of the Base Indenture and all references in the Base Indenture to Article IX thereof and the provisions therein, as the case may be, shall, with respect to the Notes, be deemed to be references to this Article VIII and the applicable provisions set forth in this Article VIII, respectively.

Section 8.02 Without Consent of Noteholders. Without the consent of any Holders of the Notes, the Company, when authorized by or pursuant to a Board Resolution, and the Trustee, at any time and from time to time, may amend, waive, modify or supplement the Indenture or the Notes for any of the following purposes:

- (a) to comply with Section 9.02, 10.06 and Section 11.02;
- (b) to add to the covenants of the Company for the benefit of the Holders of the Notes or to surrender any right or power herein conferred upon the Company;
- (c) to secure the Notes;
- (d) to provide for the addition or modification of any of the provisions of the Indenture as shall be necessary or desirable to provide for or facilitate the guarantee of the Notes by one or more guarantors;
- (e) to comply with any requirement of the Commission in connection with the qualification of the Indenture under the Trust Indenture Act;
- (f) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Notes and to add to or change any of the provisions of the Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee;
- (g) to cure any ambiguity or correct or supplement any inconsistent or otherwise defective provision contained in the Indenture;

(h) to make any provision with respect to matters or questions arising under the Indenture that the Company may deem necessary or desirable and that shall not be inconsistent with provisions of the Indenture provided that such change or modification does not, in the good faith opinion of the Company's Board of Directors, adversely affect the interests of the Holders of the Notes in any material respect;

(i) to provide for conversion rights of Holders of Notes and the Company's repurchase obligations in connection with a Fundamental Change in the event of any reclassification of the Common Stock, merger or consolidation, or sale, conveyance, transfer or lease of the Company's property and assets substantially as an entirety;

(j) to conform the provisions of the Indenture to the "Description of the Notes" section contained in the Company's Preliminary Prospectus Supplement, as further supplemented and/or amended by the related pricing term sheet dated February 27, 2019;

(k) to increase the Conversion Rate; provided that the increase will not adversely affect the interest of the Holders of the Notes; and

(l) to make such changes as may be necessary or desirable to allow the Company to issue Additional Notes pursuant to Section 2.10; provided that any such change will not materially adversely affect the interests of Holders of the Notes.

Section 8.03 Modification and Amendment with Consent of Noteholders. With the written consent or the affirmative vote of the Holders of not less than a majority in aggregate principal amount of the Outstanding Notes (including, without limitation, Additional Notes, if any) delivered to the Company and the Trustee, the Company when authorized by a Board Resolution, together with the Trustee, may amend, waive, modify or supplement any other provision of the Indenture or the Notes; provided, however, that no such amendment, waiver, modification or supplement may, without the written consent or the affirmative vote of the Holder of each Outstanding Note affected thereby:

(a) change the Stated Maturity of the principal of or any installment of principal of or interest (including Filing Additional Interest, if any) on, any Note;

(b) reduce the principal amount thereof or the rate or amount of interest (including Filing Additional Interest, if any) thereon;

(c) reduce the amount payable upon repurchase or Redemption;

(d) adversely affect any right of repayment at the option of the Holder of any Note, or change the currency in which the principal of any Note or the interest thereon is payable;

(e) impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of repayment at the option of the Holder, on or after the Fundamental Change Repurchase Date, as the case may be);

(f) reduce the percentage in principal amount of the Outstanding Notes, the consent of whose Holders is required for any such amendment, waiver, modification or supplemental indenture, or the consent of whose Holders is required for any waiver with respect to such Notes pursuant to Section 5.05 of this Supplemental Indenture;

(g) make any change that affects the right of any Holder to convert Notes into shares of the Common Stock or reduce the number of shares of Common Stock or any other property receivable upon conversion pursuant to the terms of the Indenture;

(h) relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, New York City; and

(i) change the Company's obligation to repurchase any Notes upon a Fundamental Change in a manner adverse to the Holders after the occurrence of a Fundamental Change.

Upon the written request of the Company accompanied by a copy of a Board Resolution authorizing the execution of any such supplemental indenture or other agreement, instrument or waiver, and upon the filing with the Trustee of evidence of the consent of Holders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture or other agreement, instrument or waiver.

It shall not be necessary for any act of Holders under this Section to approve the particular form of any proposed supplemental indenture or other agreement, instrument or waiver, but it shall be sufficient if such act shall approve the substance thereof.

Section 8.04 Execution of Supplemental Indentures, Agreements and Waivers.

In executing, any supplemental indenture, agreement, instrument or waiver permitted by this Article VIII or the modifications thereby of the Indenture, the Trustee shall, upon request, be provided with, and (subject to Article VI of the Base Indenture) shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate from each obligor under the Notes entering into such supplemental indenture, agreement, instrument or waiver, each stating that the execution of such supplemental indenture, agreement, instrument or waiver (a) is authorized or permitted by the Indenture; (b) does not violate the provisions of any agreement or instrument evidencing any other indebtedness of the Company, or any Subsidiary of the Company; and (c) that all conditions precedent in the Indenture relating to such supplemental indenture have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture, agreement, instrument or waiver which affects the Trustee's own rights, duties or immunities under the Indenture, the Notes or otherwise. The Company will notify Holders within a reasonable time of any amendment to this Agreement or of any supplemental indenture entered into. However, any failure by the Company to give such notice to all of the Holders, or any defect in the notice, will not impair or affect the validity of the modification or amendment.

Section 8.05 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article VIII, the Indenture and the Notes, if applicable, shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture and the Notes, if applicable, as the case may be, for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.06 Compliance with Trust Indenture Act.

Every supplemental indenture or amendment to the Indenture or the Notes shall comply with the TIA as then in effect, to the extent the TIA is applicable to the Indenture or any supplemental indenture hereto.

Section 8.07 Reference in Notes to Supplemental Indentures.

Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and shall if required by the Trustee, bear a notation in a form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Board of Directors of the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee, at the expense of the Company, upon a Company Order in exchange for Outstanding Notes.

Section 8.08 Revocation and Effect of Consents and Waivers.

A consent to an amendment or a waiver by a Holder of a Note shall bind the Holder and every subsequent Holder of that Note or portion of the Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent or waiver is not made on the Note. However, any such Holder or subsequent Holder may revoke the consent or waiver as to such Holder's Note or portion of the Note if the

Trustee receives the notice of revocation before the date the amendment or waiver becomes effective. After an amendment or waiver becomes effective, it shall bind every Holder. An amendment or waiver made pursuant to Section 8.02(1) shall become effective upon receipt by the Trustee of the requisite number of written consents.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described above or required or permitted to be taken pursuant to the Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall become valid or effective more than 120 days after such record date.

Section 8.09 Notation on or Exchange of Notes.

If an amendment changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee, at the expense of the Company, shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment.

ARTICLE IX

CONSOLIDATION, MERGER, SALE, LEASE OR CONVEYANCE

Section 9.01 Applicability of Article VIII of the Base Indenture. The provisions of Article VIII of the Base Indenture shall not apply with respect to the Notes and this Article IX supersedes the entirety thereof and all references in the Base Indenture to Article VIII thereof shall be deemed, for the purposes of the Notes, to be references to this Article IX.

Section 9.02 Consolidation, Merger and Sale of Assets.

(a) The Company will not, in a single transaction or a series of related transactions, consolidate with or merge with or into any other Person, or sell, convey, transfer or lease its property and assets substantially as an entirety to another Person, unless:

(1) either (a) the Company shall be the continuing corporation or (b) the resulting, surviving or transferee Person (if other than the Company) shall be a corporation or limited liability company organized and existing under the laws of the United States of America, any State thereof or the District of Columbia (the "Successor Company"), and such Successor Company shall expressly assume, by an indenture supplemental to the Indenture in a form reasonably satisfactory to the Trustee, executed and delivered to the Trustee, all the obligations of the Company under the Notes and the Indenture;

(2) immediately after giving effect to such transaction, no Default or Event of Default has occurred and is continuing;
and

(3) if so requested by the Trustee, the Company shall have delivered to the Trustee any Officers' Certificate and Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with this Article IX and that all conditions precedent herein provided for relating to such transaction have been satisfied.

Section 9.03 Successor Substituted.

In the event of any transaction described in and complying with the conditions listed in Section 9.02 in which the Company is not

the continuing corporation, the Successor Company formed or remaining shall succeed, and be substituted for, and may exercise every right and power of, the Company, and the Company shall be discharged from its obligations, under the Notes and the Indenture.

ARTICLE X

CONVERSION OF NOTES

Section 10.01 Conversion Privilege.

(a) Upon compliance with the provisions of this Article X, a Holder of Notes shall have the right, at such Holder's option, to convert all or any portion (if the portion to be converted is \$1,000 principal amount or an integral multiple thereof) of such Note at any time prior to the Close of Business on the scheduled Business Day immediately preceding the Maturity Date at a rate (the "Conversion Rate") of 110.7420 shares of Common Stock (subject to adjustment by the Company as provided in Section 10.04) per \$1,000 principal amount of Notes, together with cash in lieu of fractional shares (collectively, the "Conversion Obligation").

(b) (%3) If and only to the extent a Noteholder elects to convert Notes prior to the Maturity Date in connection with a transaction described in clause (a), clause (c) (without reference to sub clause (iii) thereunder) or clause (d) of the definition of Fundamental Change pursuant to which 10% or more of the consideration for the Common Stock (other than cash payments for fractional shares and cash payments made in respect of dissenters' appraisal rights) in such transaction consists of cash or securities (or other property) that are not shares of common stock traded or scheduled to be traded immediately following such transaction on the New York Stock Exchange, the NASDAQ Global Market or the NASDAQ Global Select Market (or any of their respective successors), referred to herein as a "Non-Stock Change of Control", then the Conversion Rate applicable to each \$1,000 principal amount of Notes so converted shall be increased by an additional number of shares of Common Stock (the "Additional Shares") as described in Section 10.01(b)(ii) below. The Company shall notify Holders of the anticipated Effective Date of a Non-Stock Change of Control no later than such time that the Non-Stock Change of Control occurs. Settlement of Notes tendered for conversion to which Additional Shares shall be added to the Conversion Rate as provided in this subsection shall be settled pursuant to Section 10.02 below, as applicable. For purposes of this Section 10.01(b), a conversion of Notes shall be deemed to be "in connection with" a Non-Stock Change of Control to the extent that the related conversion notice is received by the Conversion Agent following the Effective Date of the Non-Stock Change of Control but before the Close of Business on the Business Day immediately preceding the related Fundamental Change Repurchase Date. Such conversion notice shall indicate that the Holder of Notes has elected to convert Notes in connection with a Non-Stock Change of Control; provided, however, that the failure to so indicate shall not in any way affect the Conversion Obligation or the right of such Holder to receive Additional Shares in connection with such conversion.

(i) The number of Additional Shares by which the Conversion Rate will be increased shall be determined by reference to the table attached as Schedule A hereto, based on the date on which the Non-Stock Change of Control occurs or becomes effective (the "Effective Date"), and the Stock Price; provided, that if the Stock Price is between two Stock Price amounts in the table attached as Schedule A hereto or the Effective Date is between two Effective Dates in the table attached as Schedule A hereto, the number of Additional Shares shall be determined by a straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Price amounts and the two Effective Dates, as applicable, based on a 360-day year; provided further that if (x) the Stock Price is in excess of \$10.50 per share of Common Stock (subject to adjustment in the same manner as set forth in Section 10.04), no Additional Shares will be added to the Conversion Rate, and (y) the Stock Price is less than \$6.91 per share of Common Stock (subject to adjustment in the same manner as set forth in Section 10.04), no Additional Shares will be added to the Conversion Rate. Notwithstanding the foregoing, in no event will the total number of shares of Common Stock issuable upon conversion, as adjusted pursuant to this Section 10.01(b)(ii), exceed 144.7178 per \$1,000 principal amount of the Notes, subject to the same adjustments as the Conversion Rate pursuant to Section 10.04.

The number of Additional Shares within the table in Schedule A hereto shall be adjusted in the same manner as and as of any

date on which the Conversion Rate is adjusted as set forth in Section 10.04 (other than by operation of an adjustment to the Conversion Rate pursuant to this Section 10.01(b)). The Stock Prices set forth in the first row of the table attached as Schedule A hereto (i.e., the column headers) shall be simultaneously adjusted as of any date on which the Conversion Rate is adjusted (other than by operation of an adjustment to the Conversion Rate pursuant to this Section 10.01(b)). The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the Conversion Rate in effect immediately prior to the adjustment giving rise to the Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted.

(d) If the Company calls any or all of the Notes for Redemption pursuant to Article III, a Holder of Notes may convert all or any portion of its Notes called for Redemption only until the Close of Business on the Business Day immediately preceding the Redemption Date. If the Conversion Date falls after [●], and prior to the next Record Date, such Holder shall receive, in addition to any accrued and unpaid interest to (but excluding) the Conversion Date, the Make-Whole Premium.

Section 10.02 Conversion Procedures.

(a) Each Note shall be convertible at the office of the Conversion Agent and, if applicable, in accordance with the Applicable Procedures.

(b) In order to exercise the conversion privilege with respect to any interest in a Global Note, the Holder must complete the appropriate instruction form for conversion pursuant to the Depository's book-entry conversion program, furnish appropriate endorsements and transfer documents if required by the Company or the Conversion Agent, pay all taxes or duties, if any, for which the Holder is responsible pursuant to Section 4.07, and the Conversion Agent must be informed of the conversion in accordance with the customary practice of the Depository. In order to exercise the conversion privilege with respect to any certificated Notes, the Holder of any such Notes to be converted, in whole or in part, shall:

(i) complete and manually sign the conversion notice provided on the back of the Note and attached hereto as Exhibit B (the "Conversion Notice") or a facsimile of the Conversion Notice;

(ii) deliver the completed Conversion Notice, which is irrevocable, and the Note to the Conversion Agent;

(iii) if required, furnish appropriate endorsements and transfer documents; and

(iv) if required, pay all taxes or duties pursuant to Section 4.07.

The date on which the Holder satisfies all of the applicable requirements set forth in this Section 10.02(b) is the "Conversion Date." The Conversion Agent will provide the Company with notice of any conversion by a Holder of the Notes on the Conversion Date (which, for the avoidance of doubt, shall be the next Business Day if the applicable requirements are satisfied after the Close of Business on a Business Day and prior to the Open of Business on the next Business Day).

(c) Each Conversion Notice shall state the name or names (with address or addresses) in which any certificate or certificates for shares of Common Stock which shall be issuable upon such conversion shall be issued. All such Notes surrendered for conversion shall, unless the shares of Common Stock issuable upon conversion are to be issued in the same name as the registration of such Notes, be duly endorsed by, or be accompanied by instruments of transfer in form satisfactory to the Company duly executed by, the Holder or his duly authorized attorney.

(d) In case any certificated Notes of a denomination greater than \$1,000 shall be surrendered for partial conversion, the Company shall execute and the Trustee shall authenticate and deliver to the Holder of the Notes so surrendered, without charge, new Notes in authorized denominations in an aggregate principal amount equal to the unconverted portion of the surrendered Notes.

Each conversion shall be deemed to have been effected as to any such Notes (or portion thereof) surrendered for conversion immediately prior to the Close of Business on the relevant Conversion Date. The person in whose name the certificate or certificates for the number of shares of Common Stock that shall be issuable upon such conversion shall become the holder of record of such shares of Common Stock as of the Close of Business on such Conversion Date. Notwithstanding the foregoing and anything contained in the Indenture to the contrary, in no event shall a Holder be entitled to the benefit of a Conversion Rate adjustment pursuant to the provisions of Article X hereof in respect of Notes surrendered for conversion if, by virtue of being deemed the record holder of the shares of Common Stock issuable upon such conversion pursuant to the foregoing sentence, such Holder participates, as a result of being such holder of record, in the transaction or event that would otherwise give rise to such Conversion Rate adjustment to the same extent and in the same manner as holders of shares of Common Stock generally.

(e) Upon the conversion of an interest in Global Notes, the Trustee (or other Conversion Agent appointed by the Company) shall make a notation on such Global Notes as to the reduction in the principal amount represented thereby. The Company shall notify the Trustee in writing of any conversions of Notes effected through any Conversion Agent other than the Trustee.

(f) Notwithstanding the foregoing, a Note in respect of which a Holder has delivered a Fundamental Change Repurchase Notice exercising such Holder's option to require the Company to repurchase such Note may be converted only if such Fundamental Change Repurchase Notice is withdrawn in accordance with Section 11.02(c) hereof.

Section 10.03 Payments Upon Conversion.

(a) Upon any conversion of any Notes, on the second Business Day immediately following the Conversion Date, the Company shall deliver to the converting Holder a number of shares of Common Stock equal to (i) the aggregate principal amount of such Notes to be converted divided by \$1,000, multiplied by (ii) the Conversion Rate in effect as of such Conversion Date, together with any cash payment for any fractional share of Common Stock as described in Section 10.03(c).

(b) Notwithstanding anything to the contrary in the Indenture, upon the conversion of any Notes, unless the Holder converts after a Record Date for an interest payment but prior to the corresponding Interest Payment Date, the Holder will also receive a separate cash payment representing accrued and unpaid interest (including Filing Additional Interest, if any) to, but not including, the Conversion Date. Any such payment will be made on the settlement date applicable to the relevant conversion of the Notes.

(c) The Company shall not issue fractional shares of Common Stock upon conversion of Notes. If multiple Notes shall be surrendered for conversion at one time by the same Holder, the number of full shares which shall be issuable upon conversion shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted hereby) so surrendered. If any fractional share of Common Stock would be issuable upon the conversion of any Notes, the Company shall make payment therefor in cash in lieu of fractional shares of Common Stock based on the Last Reported Sale Price of the Common Stock on the relevant Conversion Date.

(d) Notwithstanding anything to the contrary in the Indenture, no Holder of Notes will be entitled to receive shares of Common Stock upon conversion to the extent (but only to the extent) that such receipt would cause such converting Holder to become, directly or indirectly, a "beneficial owner" (within the meaning of Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder) of more than 5.0% of the Common Stock outstanding at such time (the "Limitation"). Any purported delivery of shares of Common Stock upon conversion of Notes shall be void and have no effect to the extent (but only to the extent) that such delivery would result in the converting Holder becoming the beneficial owner of more than 5.0% of the shares of Common Stock outstanding at such time. If any delivery of shares of Common Stock owed to a Holder upon conversion of Notes is not made, in whole or in part, as a result of the Limitation, the Company's obligation to make such delivery shall not be extinguished and the Company shall deliver such shares as promptly as practicable after any such converting Holder gives notice to the Company that such delivery would not result in it being the beneficial owner of more than 5.0% of the shares of Common Stock outstanding at such time. The Limitation shall no longer apply following the Effective Date of any Fundamental Change.

Section 10.04 Adjustment of Conversion Rate.

The Conversion Rate shall be adjusted from time to time by the Company as follows:

(a) If the Company issues shares of Common Stock as a dividend or distribution on shares of Common Stock, or effects a share split or share combination, then the Conversion Rate shall be adjusted based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_1}{OS_0}$$

where

CR ₁	=	the Conversion Rate in effect immediately prior to the Open of Business on the record date for such dividend or distribution or the effective date of such share split or combination, as the case may be;
CR ₀	=	the Conversion Rate in effect at Close of Business on the Trading Day immediately preceding the record date for such dividend or distribution or the effective date of such share split or combination, as the case may be;
OS ₀	=	the number of shares of Common Stock outstanding at Close of Business on the Trading Day immediately preceding the record date for such dividend or distribution or the effective date of such share split or combination; and
OS ₁	=	the number of shares of Common Stock that would be outstanding immediately after, and solely as a result of, such dividend, distribution, share split or combination, as the case may be.

Such adjustment shall become effective immediately prior to the Open of Business on the record date for such dividend or distribution or the effective date of such share split or combination, as the case may be. If any dividend or distribution of the type described in this Section 10.04(a) is declared but not so paid or made, or the outstanding shares of Common Stock are not subdivided or combined, as the case may be, the Conversion Rate shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, or subdivide or combine the outstanding shares of Common Stock, as the case may be, to the Conversion Rate that would then be in effect if such dividend, distribution, subdivision or combination had not been declared.

(b) In case the Company shall issue to all or substantially all holders of Common Stock any rights or warrants (other than rights issued pursuant to a shareholders' rights plan) entitling them for a period of not more than 60 days from the issuance date for such distribution to subscribe for or purchase shares of Common Stock, at a price per share less than the Last Reported Sale Price of the Common Stock on the Trading Day immediately preceding the declaration date of such distribution, then the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where

CR ₁	=	the Conversion Rate in effect immediately prior to the Open of Business on the record date for such distribution;
CR ₀	=	the Conversion Rate in effect at the Close of Business on the Trading Day immediately preceding the record date for such distribution;
OS ₀	=	the number of shares of Common Stock outstanding at the Close of Business on the Trading Day immediately preceding the record date for such distribution;
X	=	the total number of shares of Common Stock issuable pursuant to such rights or warrants; and
Y	=	the number of shares of Common Stock equal to the aggregate price payable to exercise such rights or warrants, divided by the average of the Last Reported Sale Prices of Common Stock over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the record date for such distribution.

Such adjustment shall be successively made whenever any such rights or warrants are issued and shall become effective immediately prior to the Open of Business on the record date for such distribution. If such rights or warrants are not issued or to the extent they are not so exercised prior to

their expiration, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such record date for such distribution had not been fixed.

In determining whether any rights or warrants entitle the holder thereof to subscribe for or purchase shares of Common Stock at a price per share less than the Last Reported Sale Price of the Common Stock on the Trading Day immediately preceding the declaration date of such distribution, and in determining the aggregate offering price of such Common Stock, there shall be taken into account any consideration received by the Company for such rights or warrants and any amount payable on exercise or conversion thereof, where the value of such consideration, if other than cash, shall be determined by the Board of Directors.

(c) (%3) In case the Company shall distribute shares of Capital Stock, evidences of indebtedness or other assets or property to all or substantially all holders of Common Stock (excluding dividends and distributions covered by Section 10.04(a), Section 10.04(b), Section 10.04(d), and distributions described below in Section 10.04(c)(ii) with respect to Spin-Offs (as defined below)) (any of such shares of Capital Stock, evidences of indebtedness or other asset or property hereinafter in this Section 10.04(c) called the “Distributed Property”), then, in each such case the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where

CR ₁	=	the Conversion Rate in effect immediately prior to the Open of Business on the record date for such distribution;
CR ₀	=	the Conversion Rate in effect at the Close of Business on the Trading Day immediately preceding the record date for such distribution;
SP ₀	=	the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the record date for such distribution; and
FMV	=	the fair market value (as determined by the Board of Directors or a committee thereof) of the Distributed Property distributed with respect to each outstanding share of Common Stock as of the Open of Business on the record date for such distribution.

Such adjustment shall become effective immediately prior to the Open of Business on the record date for shareholders entitled to receive such distribution; provided that (1) if the then fair market value (as so determined) of the portion of the Distributed Property so distributed applicable to one share of Common Stock is equal to or greater than SP₀ as set forth above or (2) if SP₀ exceeds the fair market value of the Distributed Property by less than \$0.01, in lieu of the foregoing adjustment, adequate provision shall be made so that each Noteholder shall have the right to receive, for each \$1,000 principal amount of Notes upon conversion, the amount of Distributed Property such Holder would have received had such Holder converted such Notes immediately prior to the record date for determining the shareholders of the Company entitled to receive the Distributed Property. If such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared. If such dividend or distribution consists of rights or warrants, the Conversion Rate shall be readjusted to the extent that such rights or warrants are not exercised prior to their expiration. If the Board of Directors determines the fair market value of any distribution for purposes of this Section 10.04(c)(i) by reference to the actual or when issued trading market for any securities, it must in doing so consider the prices in such market over the same period used in determining SP₀ above.

(i) With respect to an adjustment pursuant to this Section 10.04(c) where there has been a payment of a dividend or other distribution on the Common Stock in shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company that are listed on a national or regional securities exchange (a “Spin-Off”), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{FMV + MP_0}{MP_0}$$

where

CR ₁	=	the Conversion Rate in effect immediately prior to the Open of Business on the record date for the Spin-Off;
CR ₀	=	the Conversion Rate in effect at the Close of Business, on the Trading Day immediately preceding the record date for the Spin-Off;
FMV	=	the average of the Last Reported Sale Prices of the Capital Stock or other similar equity interest distributed to holders of Common Stock applicable to one share of Common Stock over the first 10 consecutive Trading Day period immediately following, and including, the third Trading Day after the record date for such Spin-Off (such period, the “ <u>Valuation Period</u> ”); and
MP ₀	=	the average of the Last Reported Sale Prices of Common Stock over the Valuation Period.

Such adjustment shall occur immediately after the Open of Business on the day after the last day of the Valuation Period but will be given effect as of the Open of Business on the record date for the Spin-Off; provided that in respect of any conversion within the ten Trading Days following any Spin-Off, references within this Section 10.04(c)(ii) to ten Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed between such Spin-Off and the Conversion Date in determining the applicable Conversion Rate. Because the Company will make the adjustment to the Conversion Rate at the end of the Valuation Period with retroactive effect, the Company will delay the settlement of any Notes where the Conversion Date occurs during the Valuation Period. In such event, the Company will deliver shares of Common Stock and any cash in lieu thereof (based on the adjusted Conversion Rate) on the second Business Day following the last day of the Valuation Period.

Rights or warrants distributed by the Company to all holders of Common Stock, entitling the holders thereof to subscribe for or purchase Capital Stock (either initially or under certain circumstances), which rights or warrants, until the occurrence of a specified event or events (“Trigger Event”): (i) are deemed to be transferred with such Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of Common Stock, shall be deemed not to have been distributed for purposes of this Section 10.04(c) (and no adjustment to the Conversion Rate under this Section 10.04(c) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights and warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 10.04(c). If any such right or warrant, including any such existing rights or warrants distributed prior to the date of this Supplemental Indenture, are subject to events, upon the occurrence of which such rights or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and record date with respect to new rights or warrants with such rights (and a termination or expiration of the existing rights or warrants without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights or warrants, or any Trigger Event or other event (of the type described in the preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 10.04 was made, (1) in the case of any such rights or warrants that shall all have been redeemed or repurchased without exercise by any holders thereof, the Conversion Rate shall be readjusted upon such final redemption or repurchase to give effect to such distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or repurchase price received by a holder or holders of Common Stock with respect to such rights or warrants (assuming such holder had retained such rights or warrants), made to all holders of Common Stock as of the date of such redemption or repurchase, and (2) in the case of such rights or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights and warrants had not been issued.

For purposes of this Section 10.04(c) and Section 10.04(a) and Section 10.04(b), any dividend or distribution to which this Section 10.04(c) is applicable that also includes a dividend or distribution of Common Stock to which Section 10.04(a) applies or a dividend or distribution of rights or warrants to subscribe for or purchase Common Stock to which Section 10.04(a) or Section 10.04(b) applies (or both), shall be deemed instead to be (1) a dividend or distribution of the evidences of indebtedness, assets or shares of Capital Stock other than such Common Stock or rights or warrants to which this Section 10.04(c) applies, and any Conversion Rate adjustment required by this Section 10.04(c) with respect to such dividend or distribution shall then be made, immediately followed by (2) a dividend or distribution of such Common Stock or such rights or warrants (and any further Conversion Rate adjustment required by Section 10.04(a) and Section 10.04(b) with respect to such dividend or distribution shall then be made), except (A) the record date of such dividend or distribution shall be substituted as “the record date” and “the date fixed for such determination” within the meaning of Section 10.04(a) and Section 10.04(b) and (B) any Common Stock included in such dividend or distribution shall not be deemed outstanding “at Close of Business on the Trading Day immediately preceding the record date for such dividend or distribution or the effective date of such share split or combination” within the meaning of Section 10.04(a) or “at Close of Business on the Trading Day immediately preceding the record for such distribution” within the meaning of Section 10.04(b).

(e) In case the Company shall pay any cash dividends or make distributions paid exclusively in cash to all or substantially all holders of Common Stock (other than dividends or distributions made in connection with the dissolution, liquidation or winding-up of the Company or distributions to which Section 10.06 applies), then the Conversion Rate will be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{SP_0 - DTA}{SP_0 - C}$$

where

CR ₁	=	the Conversion Rate in effect immediately prior to the Open of Business on the record date for such dividend or distribution;
CR ₀	=	the Conversion Rate in effect at the Close of Business, on the Trading Day immediately preceding the record date for such distribution;
SP ₀	=	the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the record date for such distribution;
DTA	=	the dividend threshold amount, which will initially be equal to \$0.06 per share in any month; <u>provided</u> that if there is not a record date for a dividend in any month, the DTA may be carried forward by the Company to the next subsequent month, and to the extent the aggregate amount of any dividends with record dates in such subsequent month is less than \$0.06 such difference may be carried forward to the second subsequent month, subject to a maximum DTA at any time of \$0.18; and
C	=	the amount in cash per share that the Company distributes to holders of Common Stock in any dividend.

Such adjustment shall become effective immediately prior to the Open of Business on the record date for such dividend or distribution.

The dividend threshold amount is subject to adjustment on an inversely proportional basis whenever the Conversion Rate is adjusted other than pursuant to this [Section 10.04\(d\)](#). If an adjustment is required to be made as set forth in this [Section 10.04\(d\)](#) as a result of a distribution that is not a regular monthly or quarterly dividend, the dividend threshold amount will be deemed to be zero. For the avoidance of doubt, a distribution that relates to a prior monthly or quarterly period during which the record date for a regular distribution did not occur (such distribution, a “[Delayed Distribution](#)”) shall constitute a regular monthly or quarterly dividend (whether paid separately or together with the regular monthly or quarterly distribution with respect to the period in which such Delayed Distribution occurs), notwithstanding the fact that the record date for such Delayed Distribution occurs after the monthly or quarterly period to which the Delayed Distribution relates.

If “C” (as defined above) is equal to or greater than “SP₀” (as defined above), or if the difference between “SP₀” and “C” is less than \$0.01, in lieu of the foregoing increase, each Holder of a Note shall receive, in respect of each \$1,000 principal amount thereof, at the same time and upon the same terms as holders of shares of Common Stock, the amount of cash that such Holder would have received as if such Holder owned a number of shares of Common Stock equal to the Conversion Rate on the record date for such cash dividend or distribution.

For the avoidance of doubt, for purposes of this [Section 10.04\(d\)](#), in the event of any reclassification of the Common Stock, as a result of which the Notes become convertible into more than one class of Common Stock, if an adjustment to the Conversion Rate is required pursuant to this [Section 10.04\(d\)](#), references in this [Section 10.04\(d\)](#) to one share of Common Stock or Last Reported Sale Price of one share of Common Stock shall be deemed to refer to a unit or to the price of a unit consisting of the number of shares of each class of Common Stock into which the Notes are then convertible equal to the number of shares of such class issued in respect of one share of Common Stock in such reclassification. The above provisions of this paragraph shall similarly apply to successive reclassifications.

(f) In case the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for Common Stock, to the extent that the cash and value of any other consideration included in the payment per share of Common Stock exceeds the Last Reported Sale Price of the Common Stock on the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, then the Conversion Rate shall be increased based on the following formula:

$$CR_1 = CR_0 \times \frac{AC + (SP_1 \times OS_1)}{OS_0 \times SP_1}$$

where

CR ₁	=	the Conversion Rate in effect at the Close of Business on the day such tender offer or exchange offer expires;
CR ₀	=	the Conversion Rate in effect immediately prior to the Open of Business on the Trading Day immediately following the day such tender offer or exchange offer expires;

AC	=	the aggregate value of all cash and any other consideration (as determined by the Board of Directors or a committee thereof) paid or payable for shares purchased in such tender or exchange offer;
SP ₁	=	the average of the Last Reported Sale Prices of Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the day such tender or exchange offer expires (the “ <u>Averaging Period</u> ”);
OS ₁	=	the number of shares of Common Stock outstanding immediately after the Close of Business on the day such tender or exchange offer expires (after giving effect to such tender offer or exchange offer); and
OS ₀	=	the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to such tender offer or exchange offer).

Such adjustment shall become effective immediately prior to the Open of Business on the day following the last day of the Averaging Period, but will be given effect as of the Open of Business on the Trading Day next succeeding the date such tender offer or exchange offer expires. Because the Company will make the adjustment to the Conversion Rate at the end of the Averaging Period with retroactive effect, the Company will delay the settlement of any Notes where the Conversion Date occurs during the Averaging Period. In such event, the Company will deliver shares of Common Stock and any cash in lieu thereof (based on the adjusted Conversion Rate) on the second Business Day immediately following the last day of the Averaging Period.

(g) Notwithstanding any other provision of this Section 10.04, no adjustments to the Conversion Rate pursuant to this Section 10.04 will be made:

(i) upon the issuance of any shares of Common Stock pursuant to any present or future plan or similar arrangement providing for the reinvestment of dividends or interest payable on the Company’s securities and the investment of additional optional amounts in shares of Common Stock under any such plan or arrangement;

(ii) upon the issuance of any shares of Common Stock or options or rights to purchase such shares pursuant to any present or future employee, director or consultant benefit plan or program or similar arrangement of, or assumed by, the Company or any of its Subsidiaries;

(iii) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (ii) of this Section 10.04(f) and outstanding as of the date the Notes were first issued;

(iv) for a change in the par value of the Common Stock; or

(v) for accrued and unpaid interest (including Filing Additional Interest, if any).

(h) To the extent a transaction qualifies under two or more of Section 10.04(a), Section 10.04(b), Section 10.04(c), Section 10.04(d) and Section 10.04(e), the Conversion Rate shall be adjusted pursuant to Section 10.04(c)(i).

(i) For purposes of this Section 10.04 the term “record date” shall mean, with respect to any dividend, distribution or other transaction or event in which the holders of shares of Common Stock have the right to receive any cash, securities or other property or in which the shares of Common Stock (or other applicable security) is exchanged for or converted into any combination of cash, securities or other property, the date fixed for determination of shareholders of the Company entitled to receive such cash, securities or other property (whether such date is fixed by the Board of Directors or by statute, contract or otherwise).

(j) All calculations and other determinations under this Article X shall be made by the Company in accordance with Section 12.16 hereof and shall be made to the nearest cent or to the nearest one-ten thousandth (1/10,000) of a share, as the case may be. No adjustment shall be made for the Company’s issuance of Common Stock or any securities convertible into or exchangeable for Common Stock, or

the right to purchase Common Stock or such convertible or exchangeable securities, other than as provided in this Section 10.04. No adjustment shall be made to the Conversion Rate unless such adjustment would require a change of at least 1% in the Conversion Rate then in effect at such time. The Company shall carry forward any adjustments that are less than 1% of the Conversion Rate, take such carried-forward adjustments into account in any subsequent adjustment, and make such carried forward adjustments, regardless of whether the aggregate adjustment is less than 1%, (i) annually on the anniversary of the first date of issue of the Notes and otherwise, (ii) upon any conversion of the Notes, and (iii) (1) 10 Business Days prior to the Maturity Date of the Notes (whether at Stated Maturity or otherwise) or (2) 10 Business Days prior to any Fundamental Change Repurchase Date or Redemption Date, unless such adjustment has already been made.

(k) Whenever the Conversion Rate is adjusted as herein provided, the Company shall promptly file with the Trustee and any Conversion Agent other than the Trustee an Officers' Certificate setting forth the Conversion Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. The Trustee and Conversion Agent may conclusively rely on the accuracy of the Conversion Rate adjustment provided by the Company. Unless and until a Responsible Officer of the Trustee shall have received such Officers' Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Conversion Rate and may assume without inquiry that the last Conversion Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Conversion Rate setting forth the adjusted Conversion Rate and the date on which each adjustment becomes effective and provide notice to Holders of such adjustment.

(l) For purposes of this Section 10.04, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

Section 10.05 Shares to be Fully Paid.

Subject to Section 10.03(c), the Company shall provide, free from preemptive rights, sufficient Common Stock to provide for conversion of the Notes from time to time as such Notes are presented for conversion.

Section 10.06 Effect of Reclassification, Consolidation, Merger or Sale.

(a) If the Company:

(i) reclassifies or changes its Common Stock (other than changes resulting from a subdivision or combination); or

(ii) consolidates or merges with or into any Person or sells, leases, transfers, conveys or otherwise disposes of all or substantially all of its assets and those of its Subsidiaries taken as a whole to another Person;

and in either case holders of Common Stock receive stock, other securities or other property or assets (including cash or any combination thereof) with respect to or in exchange for their Common Stock (any such event, a "Merger Event"), then from and after the effective date of such Merger Event, the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee a supplemental indenture (which shall comply with the Trust Indenture Act as in force at the date of execution of such supplemental indenture if such supplemental indenture is then required to so comply) providing that at and after the effective time of such Merger Event, each Outstanding Note will, without the consent of Holders of the Notes, become convertible in accordance with this Supplemental Indenture into the consideration the holders of Common Stock received in such reclassification, change, consolidation, merger, sale, lease, transfer, conveyance or other disposition (such consideration, the "Reference Property"). If the transaction causes the Common Stock to be converted into the right to receive more than a single type of consideration (determined based in part upon any form of shareholder election), the Reference Property into which the Notes will become convertible will be deemed to be the kind and amount of consideration elected to be received by a majority of shares of Common Stock which voted for such an election (if electing between two types of consideration) or a plurality of shares of Common Stock which voted for such an election (if electing between more than two types of consideration), as the case may be. The Company shall not become a party to any such Merger Event

unless its terms are consistent with this Section 10.06 in all material respects.

(b) The Company shall cause notice of the execution of such supplemental indenture to be mailed to each Holder, at the address of such Holder as it appears on the Note Register, within 20 days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture. The above provisions of this Section 10.06 shall similarly apply to successive reclassifications, changes, consolidations, mergers, combinations, sales and conveyances. If this Section 10.06 applies to any Merger Event, Section 10.04 shall not apply.

Section 10.07 Notice to Holders Prior to Certain Actions.

In case:

(a) the Company shall declare a dividend (or any other distribution) on its Common Stock that would require an adjustment in the Conversion Rate pursuant to Section 10.04; or

(b) the Company shall authorize the granting to all of the holders of its Common Stock of rights or warrants to subscribe for or purchase any share of any class or any other rights or warrants;

(c) of any reclassification of Common Stock (other than a subdivision or combination of the outstanding Common Stock, or a change in par value, or from par value to no par value, or from no par value to par value), or of any consolidation or merger to which the Company is a party and for which approval of any shareholders of the Company is required, or of the sale or transfer of all or substantially all of the assets of the Company; or

(d) of the voluntary or involuntary dissolution, liquidation or winding-up of the Company, the Company shall cause to be filed with the Trustee and to be mailed to each Noteholder at his address appearing on the Note Register at least 10 days before the applicable date specified in clause (x) or (y) below, as the case may be, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution or rights or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution or rights are to be determined, or (y) the date on which such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding-up is expected to become effective or occur, and the date as of which it is expected that holders of Common Stock of record shall be entitled to convert their Common Stock for securities or other property deliverable upon such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding-up. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such dividend, distribution, reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding-up.

Section 10.08 Shareholder Rights Plans. To the extent that any future shareholders' rights plan adopted by the Company is in effect upon conversion of the Notes into Common Stock, Holders shall receive, in addition to any Common Stock issuable upon such conversion, the rights under the applicable rights agreement unless the rights have separated from the Common Stock at the time of conversion of the Notes, in which case, the Conversion Rate will be adjusted as if the Company distributed to all holders of its Common Stock shares of its Capital Stock, evidences of indebtedness or assets as described in Section 10.04(c)(i), subject to readjustment in the event of the expiration, termination or redemption of such rights. If, and only if, the Holders receive rights under such shareholders' rights plan as described in the preceding sentence upon conversion of their Notes, then no other adjustment pursuant to this Article X shall be made in connection with such shareholders' rights plan.

ARTICLE XI

REPURCHASE OF NOTES AT OPTION OF HOLDERS

Section 11.01 Applicability of Article XIII of the Base Indenture. Article XIII of the Base Indenture shall not apply to the Notes. Instead, the provisions of this Article XI shall, with respect to the Notes, supersede in its entirety Article XIII of the Base Indenture and all references in the Base Indenture to Article XIII thereof shall be deemed, for the purposes of the Notes, to be references to this Article XI.

Section 11.02 Repurchase at Option of Holders Upon a Fundamental Change.

(a) If a Fundamental Change occurs at any time prior to the Maturity Date, then each Noteholder shall have the right, at such Holder's option, to require the Company to repurchase all of such Holder's Notes or any portion thereof that is a multiple of \$1,000 principal amount, for cash on or after the Close of Business on the date (the "Fundamental Change Repurchase Date") specified by the Company that is not less than twenty (20) calendar days and not more than thirty-five (35) calendar days after the date of the Fundamental Change Company Notice (as defined below) at a repurchase price equal to 100% of the principal amount thereof, together with accrued and unpaid interest thereon (including Filing Additional Interest, if any) to, but excluding, the Fundamental Change Repurchase Date (collectively, the "Fundamental Change Repurchase Price"). Notwithstanding the foregoing, if the Fundamental Change Repurchase Date is after a Record Date and on or prior to the corresponding Interest Payment Date, the accrued and unpaid interest (including Filing Additional Interest, if any) will be paid on the Fundamental Change Repurchase Date to the Holder of record on the Record Date.

Repurchases of Notes under this Section 11.02 shall be made, at the option of the Holder thereof, upon:

(i) delivery to the Trustee (or other Paying Agent appointed by the Company) by a Holder of a duly completed notice (the "Fundamental Change Repurchase Notice") in the form set forth on the reverse of the Note at any time prior the Close of Business on the Fundamental Change Repurchase Date; and

(ii) delivery or book-entry transfer of the Notes to the Trustee (or other Paying Agent appointed by the Company) at any time after delivery of the Fundamental Change Repurchase Notice (together with all necessary endorsements) at the Corporate Trust Office of the Trustee (or other Paying Agent appointed by the Company) in the Borough of Manhattan, such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor; provided that such Fundamental Change Repurchase Price shall be so paid pursuant to this Section 11.02 only if the Note so delivered to the Trustee (or other Paying Agent appointed by the Company) shall conform in all respects to the description thereof in the related Fundamental Change Repurchase Notice.

The Fundamental Change Repurchase Notice shall state:

(A) if certificated, the certificate numbers of Notes to be delivered for repurchase;

(B) the portion of the principal amount of Notes to be repurchased, which must be \$1,000 or an integral multiple thereof;

(C) that the Notes are to be repurchased by the Company pursuant to the applicable provisions of the Notes and the Indenture; and

(D) if such Fundamental Change Repurchase Notice is delivered prior to the occurrence of a Fundamental Change pursuant to a definitive agreement giving rise to a Fundamental Change, that the Holder acknowledges that the Company's offer is conditioned on the occurrence of such Fundamental Change.

provided, however, that if the Notes are not in certificated form, the Fundamental Change Repurchase Notice must comply with Applicable Procedures.

Any repurchase by the Company contemplated pursuant to the provisions of this Section 11.02 shall be consummated by the delivery of the consideration to be received by the Holder promptly following the later of the Fundamental Change Repurchase Date and the time of the book-entry transfer or delivery of the Note.

The Trustee (or other Paying Agent appointed by the Company) shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof in accordance with the provisions of Section 11.02(c).

Any Note that is to be repurchased only in part shall be surrendered to the Trustee (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and make available for delivery to the Holder of such Note without service charge, a new Note or Notes, containing identical terms and conditions, each in an authorized denomination in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered.

(b) On or before the fifth (5th) calendar day after the occurrence of a Fundamental Change, the Company shall provide to all Holders of record of the Notes as of the date of the Fundamental Change Company Notice at their addresses shown in the Note Register (and to beneficial owners to the extent required by applicable law) and the Trustee and Paying Agent a written notice (the "Fundamental Change Company Notice") of the occurrence of such Fundamental Change and of the repurchase right at the option of the Holders arising as a result thereof. Such mailing shall be by first class mail. Simultaneously with providing such Fundamental Change Company Notice, the Company shall publish a notice containing the information included therein once in a newspaper of general circulation in The City of New York or publish such information on the Company's website or through such other public medium as the Company may use at such time.

Each Fundamental Change Company Notice shall specify:

- (i) the events causing the Fundamental Change;
- (ii) the date of the Fundamental Change;
- (iii) that the Holder must exercise the repurchase right prior to the Close of Business on the Fundamental Change Repurchase Date;
- (iv) the Fundamental Change Repurchase Price;
- (v) the Fundamental Change Repurchase Date;
- (vi) the name and address of the Paying Agent and the Conversion Agent;
- (vii) the applicable Conversion Rate and any adjustments to the applicable Conversion Rate;
- (viii) that the Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be converted only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of the Indenture; and
- (ix) the procedures that Holders must follow to require the Company to repurchase their Notes.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Noteholders' repurchase rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 11.02.

(c) A Fundamental Change Repurchase Notice may be withdrawn by delivering a written notice of withdrawal to the Paying Agent in accordance with the Fundamental Change Company Notice at any time prior to the Close of Business on the Fundamental Change Repurchase Date, specifying:

(i) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted;

(ii) the principal amount, if any, of such Notes that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000; and

(iii) if certificated Notes have been issued, the certificate numbers of the withdrawn Notes;

provided, however, that if the Notes are not in certificated form, the notice must comply with Applicable Procedures. The Paying Agent will promptly return to the respective Holders thereof any certificated Notes with respect to which a Fundamental Change Repurchase Notice has been withdrawn in compliance with the provisions of this Section 11.02(c). If the Notes are not in certificated form, such return must comply with the appropriate procedures of the Depository. If a Fundamental Change Repurchase Notice is given and then subsequently withdrawn in accordance with this Section 11.02(c), then the Company shall not be obligated to repurchase any Notes listed in such Fundamental Change Repurchase Notice.

(d) On or prior to 1:00 p.m. (local time in The City of New York) on the Business Day following the Fundamental Change Repurchase Date, the Company will deposit with the Trustee (or other Paying Agent appointed by the Company) or if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust in accordance with the Indenture an amount of money or securities sufficient to repurchase as of the Fundamental Change Repurchase Date all of the Notes to be repurchased as of such date at the Fundamental Change Repurchase Price. Subject to receipt of funds and/or Notes by the Trustee (or other Paying Agent appointed by the Company and subject to extension if necessary to comply with the provisions of the Investment Company Act of 1940), payment for Notes surrendered for repurchase (and not withdrawn) prior to the Close of Business on the Fundamental Change Repurchase Date will be made promptly after the later of (x) the Fundamental Change Repurchase Date with respect to such Note (provided the Holder has satisfied the conditions to the payment of the Fundamental Change Repurchase Price in this Section 11.02), and (y) the time of book-entry transfer or the delivery of such Note to the Trustee (or other Paying Agent appointed by the Company) by the Holder thereof in the manner required by this Section 11.02 by mailing checks for the amount payable to the Holders of such Notes entitled thereto as they shall appear in the Note Register (in the case of certificated Notes) by wire transfer of immediately available funds to the account of the Depository or its nominee (if the Notes are not in certificated form). The Trustee shall, promptly after such payment return to the Company any funds in excess of the Fundamental Change Repurchase Price.

(e) If the Trustee (or other Paying Agent appointed by the Company) holds money or securities sufficient to repurchase as of the Fundamental Change Repurchase Date all the Notes or portions thereof that are to be repurchased as of the Business Day following the Fundamental Change Repurchase Date, then on and after the Fundamental Change Repurchase Date (i) such Notes will cease to be Outstanding, (ii) interest (including Filing Additional Interest, if any) will cease to accrue on such Notes, whether or not book-entry transfer of the Notes has been made or the Notes have been delivered to the Trustee or Paying Agent, as the case may be, and (iii) all other rights of the Holders of such Notes will terminate other than the right to receive the Fundamental Change Repurchase Price upon delivery or transfer of such Notes.

Section 11.03 No Payment Following Acceleration of the Notes.

There shall be no repurchase of any Notes pursuant to this Article XI if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded on or prior to the Fundamental Change Repurchase Date. The Trustee (or other Paying Agent appointed by the Company) will promptly return to the respective Holders thereof any certificated Notes held by it following acceleration of the Notes and shall deem canceled any instructions for book-entry transfer of the Notes in compliance with the procedures of the Depository, in which case, upon such return and cancellation, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

Section 11.04 Compliance with Tender Offer Rules.

In connection with any offer to repurchase Notes under Section 11.02 hereof, the Company shall, in each case if required, (a) comply with Rule 13e-4, Rule 14e-1 and any other tender offer rules under the Exchange Act that may then be applicable, (b) file a Schedule TO or any other required schedule under the Exchange Act and (c) otherwise comply with all federal and state securities laws so as to permit the rights and obligations under Section 11.02 to be exercised in the time and in the manner specified in Section 11.02.

Prospect Capital Corporation, a corporation organized under the laws of Maryland (herein called the “Company,” which term includes any successor corporation under the Indenture referred to on the reverse hereof), for value received hereby promises to pay to [CEDE & CO., or registered assigns (the “Depository”)], the principal sum of [_____] (\$[____]), or such other principal amount as shall be set forth on the Schedule I hereto, on March 1, 2025, unless earlier converted, repurchased or redeemed.

This Note shall bear interest at the rate of 6.375% per year from March 1, 2019, or from the most recent date to which interest had been paid or provided. Interest on this Note shall be computed on the basis of a 360-day year comprised of twelve 30-day months. Except as otherwise provided in the Indenture, interest is payable semi-annually in arrears on each March 1 and September 1, commencing September 1, 2019, to Holders of record at the Close of Business on the preceding February 15 and August 15, respectively. Interest payable on each Interest Payment Date shall equal the amount of interest accrued from, and including the immediately preceding Interest Payment Date (or from and including March 1, 2019, if no interest has been paid hereon) to but excluding such Interest Payment Date. To the extent lawful, payments of principal or interest (including Filing Additional Interest, if any) on the Notes that are not made when due will accrue interest at the annual rate of 1.0% above the then-applicable interest rate borne by the Notes from the required payment date in accordance with the provisions of the Indenture.

Notwithstanding the foregoing, payment of interest in respect of Notes held in global form shall be made in accordance with procedures required by the Depository.

Reference is made to the further provisions of this Note set forth on the reverse hereof, including, without limitation, provisions giving the Holder of this Note the right to convert this Note into Common Stock on the terms and subject to the limitations referred to on the reverse hereof and as more fully specified in the Indenture. Such further provisions shall for all purposes have the same effect as though fully set forth at this place.

This Note shall be governed by and construed in accordance with the laws of the State of New York.

This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been manually signed by the Trustee or a duly authorized authenticating agent under the Indenture.

This Note is one of a duly authorized issue of Notes of the Company designated as its 6.375% Convertible Notes due 2025 (herein called the "Notes"), issued under an Indenture dated as of February 16, 2012 (herein called the "Base Indenture"), as amended by that certain Agreement of Resignation, Appointment and Acceptance, dated March 12, 2012, by and among the Company, U.S. Bank National Association (herein called the "Trustee") and American Stock Transfer & Trust Company, LLC and as further supplemented by the Supplemental Indenture, dated as of March 1, 2019 (herein called the "Supplemental Indenture" and the Base Indenture, as supplemented by the Supplemental Indenture, the "Indenture"), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders of the Notes. Additional Notes may be issued in an unlimited aggregate principal amount, subject to certain conditions specified in the Indenture. Capitalized terms used but not defined in this Note shall have the meanings ascribed to them in the Indenture.

In case an Event of Default, as defined in the Indenture, shall have occurred and be continuing, the principal of and interest on all Notes may be declared, and upon said declaration shall become, due and payable, in the manner, with the effect and subject to the conditions provided in the Indenture.

Subject to the terms and conditions of the Indenture, the Company will make all payments and deliveries in respect of the Fundamental Change Repurchase Price, Redemption Price and the principal amount on the Maturity Date, as the case may be, to the Holder who surrenders a Note to a Paying Agent to collect such payments in respect of the Note. The Company will pay cash amounts in money of the United States that at the time of payment is legal tender for payment of public and private debts.

The Indenture contains provisions permitting the Company and the Trustee in certain circumstances, without the consent of the

Holders of the Notes, and in other circumstances, with the consent of the Holders of not less than a majority in principal amount of the Notes at the time Outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the Holders of the Notes; provided, however, that no such supplemental indenture shall make any of the changes set forth in Section 8.02 of the Supplemental Indenture, without the consent of each Holder of an Outstanding Note affected thereby. It is also provided in the Indenture that, prior to any declaration accelerating the maturity of the Notes, the Holders of a majority in principal amount of the Notes at the time Outstanding may on behalf of the Holders of all of the Notes waive any past Default or Event of Default under the Indenture and its consequences except as provided in the Indenture. Any such consent or waiver by the Holder of this Note (unless revoked as provided in the Indenture) shall be conclusive and binding upon such Holder and upon all future Holders and owners of this Note and any securities which may be issued in exchange or substitution hereof, irrespective of whether or not any notation thereof is made upon this Note or such other securities.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and accrued and unpaid interest on this Note at the place, at the respective times, at the rate and in the lawful money herein prescribed.

The Notes are issuable in registered form without coupons in denominations of \$1,000 principal amount and integral multiples thereof. At the office or agency of the Company referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, without payment of any service charge but with payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes (except as otherwise provided in the Indenture), Notes may be exchanged for a like aggregate principal amount of Notes of other authorized denominations.

This Note is not subject to redemption prior to December 1, 2024. On or after December 1, 2024, the Note is subject to redemption in accordance with the terms and subject to the conditions specified in the Indenture.

Upon the occurrence of a Fundamental Change, the Holder has the right, at such Holder's option, to require the Company to repurchase all of such Holder's Notes or any portion thereof (in principal amounts of \$1,000 or integral multiples thereof) in accordance with the provisions of the Indenture on the Fundamental Change Repurchase Date at a price equal to 100% of the principal amount of the Notes such holder elects to require the Company to repurchase, together with accrued and unpaid interest (including Filing Additional Interest, if any) to but excluding the Fundamental Change Repurchase Date. The Company shall mail to all Holders of record of the Notes a notice of the occurrence of a Fundamental Change and of the repurchase right arising as a result thereof at any time following the Company entering into a definitive agreement that, if consummated, would give rise to a Fundamental Change, but in any event not later than the fifth (5th) calendar day after the occurrence of a Fundamental Change.

Subject to and upon compliance with the provisions of the Indenture, the Holder may surrender for conversion all or any portion of this Note that is in an integral multiple of \$1,000. Upon conversion, the Holder shall be entitled to receive the consideration specified in the Indenture. No fractional share of Common Stock shall be issued upon conversion of a Note. Instead, the Company shall pay cash in lieu of such fractional share of Common Stock as provided in the Indenture. The initial Conversion Rate shall be 110.7420 shares of Common Stock per \$1,000 principal amount of Notes, subject to adjustment in accordance with the provisions of the Indenture. If a Holder converts all or a part of this Note in connection with the occurrence of certain Fundamental Change transactions, the Conversion Rate shall be increased in the manner and to the extent described in the Indenture.

Upon due presentment for registration of transfer of this Note at the office or agency of the Company in the Borough of Manhattan, City of New York, a new Note or Notes of authorized denominations for an equal aggregate principal amount will be issued to the transferee in exchange thereof, subject to the limitations provided in the Indenture, without charge except for any tax, assessments or other governmental charge imposed in connection with any registration of transfer or exchange of Notes (except as otherwise set forth in the Indenture).

The Company, the Trustee, any authenticating agent, any Paying Agent, any Conversion Agent and any Security Registrar may deem and treat the registered Holder hereof as the absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payment hereof, or on account hereof, for the conversion hereof and for all other purposes, and neither the Company nor the Trustee nor any other authenticating agent nor any Paying Agent nor any other Conversion Agent nor any Security Registrar shall be affected by any notice to the contrary. All payments made to or upon the order of such registered Holder shall, to the extent of the sum or sums paid, satisfy and discharge liability for monies payable on this Note.

The Underwriters shall be paid a commission of 3.0% of the aggregate principal amount of the Firm Securities upon their purchase thereof.

(b) *Optional Securities.* In addition, on the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company hereby grants an option to the Underwriters to purchase up to an additional \$26,250,000 aggregate principal amount of Optional Securities at the Purchase Price plus accrued interest from the Closing Time or the relevant Date of Delivery, as applicable. The Underwriters shall be paid a commission of 3.0% of the aggregate principal amount of the Optional Securities purchased. The option hereby granted will expire 13 days after the date hereof and may be exercised in whole or in part from time to time on one or more occasions solely for the purpose of covering over-allotments made in connection with the offering and distribution of the Firm Securities upon notice by the Representatives to the Company setting forth the aggregate principal amount of Optional Securities as to which the Underwriters are then exercising the option and the time and date of payment and delivery for such Optional Securities. Any such time and date of delivery (a “**Date of Delivery**”) shall be determined by the Representatives, but shall not be later than seven full business days after the exercise of said option, nor in any event prior to the Closing Time, as hereinafter defined.

In addition, in the event that any or all of the Optional Securities are purchased by the Underwriters, payment of the Purchase Price for, and the delivery of, such Optional Securities shall be made at the above-mentioned offices, or at such other place as shall be agreed upon by the Representatives and the Company, on each Date of Delivery as specified in the notice from the Representatives to the Company.

Payment shall be made to the Company by wire transfer of immediately available funds to a bank account designated by the Company, against delivery to the Representatives through the facilities of the Depository Trust Company (“**DTC**”) for the respective accounts of the Underwriters of the Securities to be purchased by them. It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities that it has agreed to purchase. The Representatives, individually and not as representatives of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder.

(d) *Denominations; Registration.* The Firm Securities and the Optional Securities, if any, shall be transferred electronically at the Closing Time or the relevant Date of Delivery, as the case may be, in such denominations and registered in such names as the Representatives may request; provided that any such request must be received in writing at least one full business day before the Closing Time or the relevant Date of Delivery, as the case may be.

The Company will notify the Representatives as soon as practicable, and, in the cases of Sections 6(a)(ii)-(iv), confirm the notice in writing, (i) when, at any time when a prospectus relating to the Securities is required to be delivered under the 1933 Act, any post-effective amendment to the Registration Statement shall become effective, or any supplement to the Preliminary Prospectus or the Prospectus or any amended Preliminary Prospectus or Prospectus shall have been filed in relation to the Securities, (ii) of the receipt of any comments from the Commission relating to the Registration Statement, (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Preliminary Prospectus or the Prospectus or for additional information in each case in relation to the Securities, and (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of the Preliminary Prospectus or the Prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Company will promptly effect the filings necessary pursuant to Rule 497 and will take such steps as it deems necessary to ascertain promptly whether the form of prospectus transmitted for filing under Rule 497 was received for filing by the Commission and, in the event that it was not, it will promptly file such prospectus. The Company will make every reasonable effort to prevent the issuance of any stop order suspending the effectiveness of the Registration Statement pursuant to Section 8(d) of the 1933 Act, and, if any such stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) The Company will give the Representatives notice of its intention to file or prepare any amendment to the Registration Statement, or any supplement or revision to either the Base Prospectus, the Preliminary Prospectus or the Prospectus, and will furnish the Underwriters with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and shall not file or use any such document to which the Representatives or counsel for the Underwriters shall reasonably object prior to the Closing Time or any applicable Date of Delivery.

(c) The Company will file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus and for so long as the delivery of a prospectus is required in connection with the offering or sale of the Securities.

(d) If by the third anniversary (the “**Renewal Deadline**”) of the initial effective date of the Registration Statement, any of the Securities remain unsold by the Underwriters, the Company will file, if it has not already done so and is eligible to do so, a new shelf registration statement relating to the Securities, in a form satisfactory to the Underwriters and will use its best efforts to cause such registration statement to be declared effective within 180 days after the Renewal Deadline. The Company will take all other reasonable action necessary or appropriate to permit the public offering and sale of the Securities to continue as contemplated in the expired registration statement relating to the Securities.

(e) Prior to 10:00 a.m., New York City time, on the Business Day next succeeding the date of this Agreement and from time to time, the Company will furnish the Representatives with written and electronic copies of the Prospectus in New York City in such quantities as the Representatives may reasonably request, and, if the delivery of a prospectus is required at any time prior to the expiration of nine months after the time of issue of the Prospectus in connection with the offering or sale of the Securities and if at such time any event shall have occurred as a result of which the Preliminary Prospectus or the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Preliminary Prospectus or Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Preliminary Prospectus or the Prospectus in order to comply with the 1933 Act or the Exchange Act, to notify the Representatives and upon the Representatives’ request to file such document and to prepare and furnish without charge to the Representatives and to any dealer in securities as many written and electronic copies as the Representatives may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus which will correct such statement or omission or effect such compliance; and in case the Underwriters are required to deliver a prospectus in connection with sales of any of the Securities at any time nine months or more after the time of issue of the Prospectus, upon request and expense of the Representatives, to prepare and deliver to the Representatives as many written and electronic copies as the Representatives may request of an amended or supplemented Prospectus complying with Section 10(a)(3) of the 1933 Act.

(f) As soon as practicable after furnishing with the Commission, the Company will make generally available to its security holders and to each Underwriter an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the 1933 Act and Rule 158.

(g) The Company will furnish to each Underwriter, without charge, so long as delivery of a prospectus by the Underwriters or a dealer may be required by the 1933 Act, as many copies of the Prospectus and any supplement thereto as each Underwriter may reasonably request. Except as otherwise described herein, the Company will pay the expenses of printing or other production of all documents relating to the offering.

(h) For a period commencing on the date hereof and ending on the 30th day after the date of the Prospectus, the Company agrees not to, directly or indirectly, (1) offer, pledge, sell, or otherwise dispose of any shares of common stock or any securities convertible into or exercisable

or exchangeable for common stock, (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the common stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of common stock securities of the Company or other securities, in cash or otherwise, (3) make any demand for, or exercise any right with respect to, the registration of any shares of common stock or any security convertible into or exercisable or exchangeable for common stock; or (4) publicly disclose the intention to do any of the contemplated transactions in clause (1), (2) or (3), in each case without the prior written consent of the Underwriters. The foregoing restrictions shall not apply to (i) the issuance and sale by the Company of the Securities offered hereby, (ii) the issuance of the Underlying Securities by the Company upon conversion of Securities, if applicable, (iii) the issuance and sale by the Company of common stock pursuant to an “at-the-market” offering program in accordance with Rule 415(a)(1)(x) of the 1933 Act (the “**ATM Program**”), provided the Company may not offer or sell more than 1,000,000 shares of common stock in any trading day under the ATM Program, (iv) the grant of options or other equity-based awards for common stock pursuant to employee benefit plans existing on the date hereof and (v) the issuance by the Company of shares of common stock upon the exercise of an option or warrant or the conversion of a security outstanding on the date hereof. Notwithstanding the foregoing, the Company may issue up to 7.5% of its then current outstanding shares of common stock in a transaction for consideration in connection with portfolio investments by the Company or its subsidiaries where such shares of common stock may be issued only to the selling entities or parties in any such investment transaction. The Company may be permitted in connection with any portfolio investment transaction to file, and issue any such shares of common stock pursuant to, a registration statement on Form N-14 under the 1933 Act.

(i) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of such states and jurisdictions as the Representatives may designate and the Company agrees to and will maintain such qualifications in effect so long as required to complete the distribution and sale of the Securities; provided that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject.

(j) The Company will use the Net Proceeds in the manner specified in the Pricing Disclosure Package and the Prospectus under “Use of Proceeds.”

(k) The Company, during the period when the Prospectus is required to be delivered under the 1933 Act or the Exchange Act, will file all documents required to be filed with the Commission pursuant to the 1940 Act and the Exchange Act within the time periods required by the 1940 Act and the Exchange Act and the rules and regulations of the Commission thereunder, respectively.

(l) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities, except as may be allowed by law.

(m) In connection with the offering and sale of the Securities, the Company will file with NASDAQ all documents and notices, and make all certifications, required of companies that have securities that are listed on NASDAQ and will maintain such listing.

(n) Except by means of the Preliminary Prospectus, the Prospectus or the information set forth on Schedule II hereto (which information complies with Rule 482 under the 1933 Act and has been filed by the Company in compliance with Rule 497 under the 1933 Act), the use of which has been consented to by the Underwriters (the “**Additional Disclosure Items**”) or as otherwise agreed by the parties, the Company (including its agents and representatives, other than the Underwriters in their capacity as such) will not make, use, prepare, authorize, approve or refer to any written communication (as defined in Rule 405 under the 1933 Act and including without limitation any (i) advertisement as defined in Rule 482 under the 1933 Act and (ii) Sales Material), required to be filed with the Commission, that constitutes an offer to sell or solicitation of an offer to buy Securities hereunder.

(o) The Company will comply with all requirements imposed upon it by the 1933 Act, the 1940 Act and the Exchange Act as from time to time in force, so far as necessary to permit the completion of the distribution of the Securities as contemplated by the provisions hereof and the Preliminary Prospectus and the Prospectus.

7. Expenses. The Company covenants and agrees with each Underwriter that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company’s counsel and accountants in connection with the registration of the Securities under the 1933 Act and all other expenses in connection with the preparation, printing, reproduction and filing of the Registration Statement, the Base Prospectus, the Preliminary Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and any dealers; (ii) the cost of printing or producing this Agreement, the Indenture, the Supplemental Indenture, any Blue Sky Memorandum, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 7(i) hereof, including the fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky survey(s); (iv) any filing fees incident to, and the fees and disbursements of counsel for the Underwriters in connection with, any required reviews by FINRA of the terms of the sale of the Securities; (v) the cost of preparing any certificates for the Securities; (vi) the cost and charges of any transfer agent, trustee, registrar or dividend disbursing agent; (vii) all fees and expenses in connection with obtaining ratings for the Notes from each of Standard & Poor’s Rating Services, Moody’s Investors Service, Kroll Bond Rating Agency, Inc. and Egan-Jones Ratings Co. and (viii) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 9 and 10 hereof, the Underwriters will pay all of their own respective costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Securities by the Underwriters, and any advertising expenses connected with any offers the Underwriters may make.

8. Conditions to the Underwriters' Obligations. The obligations of the several Underwriters hereunder as to the Securities to be delivered at the Closing Time and each applicable Date of Delivery shall be subject to the condition that all representations and warranties made by the Company, the Adviser and the Administrator herein are, at and as of the Closing Time and each applicable Date of Delivery, true and correct, as if then made, to the due performance by the Company of its obligations hereunder, and to the satisfaction (or waiver by the Representatives in their sole discretion) of the following additional conditions:

(a) The Registration Statement shall have become effective and shall be available for the sale of all Securities to be issued and sold hereunder. All filings with the Commission required by Rule 497 under the 1933 Act to have been filed prior to the sale of Securities hereunder shall have been made within the applicable time period prescribed for such filing by Rule 497.

(b) None of the following events shall have occurred and be continuing: (i) receipt by the Company of any request for additional information from the Commission or any other federal or state governmental authority during the period of effectiveness of the Registration Statement, the response to which would require any amendments or supplements to the Registration Statement, the Pricing Disclosure Package or the Prospectus relating to or affecting the Securities; (ii) the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of, or preventing the use of, the Registration Statement, the Pricing Disclosure Package or the Prospectus, or the initiation of any proceedings for that purpose, including any notice objecting to the use of the Registration Statement or order pursuant to Section 8(e) of the 1940 Act having been issued and proceedings therefor initiated, or to the knowledge of the Company, threatened by the Commission; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the occurrence of any event that makes any statement made in the Registration Statement, the Pricing Disclosure Package or the Prospectus untrue in any material respect or that requires the making of any changes in the Registration Statement, the Pricing Disclosure Package or Prospectus so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and, that in the case of the Pricing Disclosure Package or the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (v) the Company's reasonable determination that a post-effective amendment to the Registration Statement would be appropriate.

(c) No Underwriter shall have discovered and disclosed to the Company on or prior to the Closing Time and any applicable Date of Delivery that the Pricing Disclosure Package or the Prospectus or any amendment or supplement thereto, contains an untrue statement of a fact which, in the opinion of Troutman Sanders LLP, counsel to the Underwriters, is material or omits to state a fact which, in the opinion of such counsel, is material and is necessary to make the statements therein not misleading.

(d) All corporate proceedings and other legal matters incident to the authorization, form and validity of this Agreement, the Indenture, the Securities, the Registration Statement, the Pricing Disclosure Package and the Prospectus, and all other legal matters relating to this Agreement and the transactions contemplated hereby shall be reasonably satisfactory in all material respects to counsel for the Underwriters, and the Company shall have furnished to such counsel all documents and information that they may reasonably request to enable them to pass upon such matters.

(e) Skadden, Arps, Slate, Meagher & Flom LLP shall have furnished to the Underwriters its written opinion, as counsel to the Company, addressed to the Underwriters and dated the Closing Time and each applicable Date of Delivery, substantially in the form of Exhibit A hereto.

(f) The Company's counsel shall have furnished to the Underwriters its written opinion, addressed to the Underwriters and dated the Closing Time and each applicable Date of Delivery, substantially in the form of Exhibit B hereto.

(g) Venable LLP shall have furnished to the Underwriters its written opinion, as Maryland counsel to the Company, addressed to the Underwriters and dated the Closing Time and each applicable Date of Delivery, substantially in the form of Exhibit C hereto.

(h) The Underwriters shall have received from Troutman Sanders LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Time and each applicable Date of Delivery, with respect to the issuance and sale of the Securities, the Registration Statement, the Pricing Disclosure Package, the Prospectus and other related matters as the Underwriters may reasonably require, and the Company shall have furnished to such counsel such documents and information as they reasonably request for the purpose of enabling them to pass upon such matters.

(i) At the time of execution of this Agreement, the Underwriters shall have received from BDO USA, LLP a letter, in form and substance satisfactory to the Representatives, addressed to the Underwriters and dated the date hereof (i) confirming that they are independent public accountants within the meaning of the 1933 Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission and (ii) stating, as of the date hereof (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Pricing Disclosure Package, the Prospectus, as of a date not more than three days prior to the date hereof), the conclusions and findings of such firm with respect to the financial information and (iii) covering such other matters as are ordinarily covered by accountants' "comfort letters" to underwriters in connection with registered public offerings.

(j) With respect to the letter of BDO USA, LLP referred to in the preceding paragraph and delivered to the Underwriters concurrently with the execution of this Agreement (the "**initial letter**"), the Company shall have furnished to the Underwriters a letter (the "**bring-down letter**") of such accountants, addressed to the Underwriters and dated as of the Closing Time and each applicable Date of Delivery (i) confirming that they are independent public accountants within the meaning of the 1933 Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, (ii) stating, as

of the Closing Time and each applicable Date of Delivery, (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Pricing Disclosure Package and the Prospectus, as of a date not more than three days prior to the Closing Time and each applicable Date of Delivery), the conclusions and findings of such firm with respect to the financial information and other matters covered by the initial letter and (iii) confirming in all material respects the conclusions and findings set forth in the initial letter.

(k) Except as described in the Pricing Disclosure Package or the Prospectus, (i) neither the Company nor any of its subsidiaries shall have sustained, since the date of the latest audited financial statements included in the Prospectus, any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree or (ii) since such date, there shall not have been any change in the capital stock or long-term debt of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the condition, financial or otherwise, or in the earnings, net asset value, prospects, business or operations, whether or not arising from transactions in the ordinary course of business, of the Company and its subsidiaries, considered as one entity, the effect of which, in any such case described in clause (i) or (ii), is, individually or in the aggregate, in the judgment of the Representatives, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or the delivery of the Securities being delivered on the Closing Time and each applicable Date of Delivery on the terms and in the manner contemplated in the Pricing Disclosure Package and the Prospectus.

(l) At or prior to the Closing Time, the Company and the Trustee shall have executed and delivered the Supplemental Indenture.

(m) The Underwriters shall have received an agreement substantially in the form of Exhibit D-1 hereto signed by the persons listed on Exhibit D-2 hereto.

(n) Subsequent to the execution and delivery of this Agreement there shall not have occurred any of the following: (i) trading in securities generally on the New York Stock Exchange or the NASDAQ or in the over-the-counter market, or trading in any securities of the Company on any exchange or in the over-the-counter market, shall have been suspended or materially limited or the settlement of such trading generally shall have been materially disrupted or minimum prices shall have been established on any such exchange or such market by the Commission, by such exchange or by any other regulatory body or governmental authority having jurisdiction, (ii) a banking moratorium shall have been declared by federal or state authorities, (iii) the United States shall have become engaged in hostilities, there shall have been an escalation in hostilities involving the United States or there shall have been a declaration of a national emergency or war by the United States or (iv) there shall have occurred such a material adverse change in general economic, political or financial conditions, including, without limitation, as a result of terrorist activities after the date hereof (or the effect of international conditions on the financial markets in the United States shall be such), as to make it, in the judgment of the Representatives, impracticable or inadvisable to proceed with the offering or delivery of the Securities being delivered on the Closing Time and each applicable Date of Delivery on the terms and in the manner contemplated in the Pricing

Disclosure Package and the Prospectus or that, in the judgment of the Representatives, would materially and adversely affect the financial markets or the markets for the Securities.

(o) On or after the Applicable Time (i) no downgrading shall have occurred in the rating accorded to the Company's debt securities by any "nationally recognized statistical rating organization", as that term is defined in Section 3(a)(62) of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities.

(p) The Company shall have furnished or caused to be furnished to the Underwriters at the Closing Time and each applicable Date of Delivery certificates of officers of the Company, the Adviser and the Administrator satisfactory to the Underwriters as to the accuracy of the representations and warranties of the Company, the Adviser and the Administrator herein at and as of the Closing Time and each applicable Date of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to the Closing Time and each applicable Date of Delivery and as to such other matters as the Underwriters may reasonably request.

All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

9. Indemnification and Contribution. (23) The Company agrees to indemnify and hold harmless each Underwriter and its affiliates (within the meaning of Rule 405 under the 1933 Act) who are acting as underwriters, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the 1933 Act, the Exchange Act or the 1940 Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the 1933 Act, the Exchange Act, the 1940 Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Pricing Disclosure Package, the Prospectus, any Additional Disclosure Item, any Sales Material or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company may otherwise have. Any indemnification by the Company pursuant to this Agreement shall be subject to the requirements and limitations of Section 17(23) of the 1940 Act.

(a) Each Underwriter severally agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement, and each person who

controls the Company within the meaning of either the 1933 Act, the Exchange Act or the 1940 Act, to the same extent as the foregoing indemnity from the Company to the Underwriters, but only with reference to written information relating to the Underwriter furnished to the Company by or on behalf of the Underwriter specifically for inclusion in the documents referred to in the foregoing indemnity which information is limited to the information set forth in Section 9(e). Each Underwriter severally agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any loss, claim, damage, liability or action to which they are entitled to indemnification pursuant to this Section 9(b). This indemnity agreement will be in addition to any liability which each Underwriter may otherwise have.

(b) Promptly after receipt by an indemnified party under this Section 9 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); *provided, however*, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(c) In the event that the indemnity provided in paragraph (a), (b) or (c) of this Section 9 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively “**Losses**”) to which the Company and the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Securities; *provided, however*, that in no case shall the Underwriters be responsible for any amount in excess of the total underwriting discounts and commissions received by the Underwriters pursuant to Section 4. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Underwriters shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions received by the Underwriters, in each case pursuant to Section 4. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this Section 9(d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9, each person who controls any Underwriter within the meaning of either the 1933 Act or the Exchange Act and each director, officer, employee and agent of any Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the 1933 Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this Section 9(d).

(d) The Underwriters severally confirm and the Company, the Adviser and the Administrator acknowledge and agree that the statements with respect to the offering of the Securities by the Underwriters set forth in the last paragraph of the cover page regarding delivery of the Securities and, under the heading “Underwriting,” the first and second sentences of the third paragraph and the second sentence of the seventh paragraph, the first and second sentences of the eighth paragraph and the third sentence of the ninth paragraph in the Preliminary Prospectus and

the Prospectus are correct and constitute the only information concerning the Underwriters furnished in writing to the Company by or on behalf of the Underwriters specifically for inclusion in the Preliminary Prospectus, the Prospectus or in any amendment or supplement thereto.

10. Termination. (a) This Agreement may be terminated in the absolute discretion of the Representatives if after the execution and delivery of this Agreement and prior to the Closing Time and each applicable Date of Delivery, if (A)(i) trading generally shall have been materially suspended or materially limited on or by, as the case may be, any of NASDAQ, the New York Stock Exchange or NYSE MKT, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the counter market, (iii) a general moratorium on commercial banking activities in New York shall have been declared by either federal or New York state authorities, (iv) there shall have occurred any attack on, or outbreak or escalation of hostilities or act of terrorism involving, the United States, or any change in financial markets or any calamity or crisis that, in each case, in the Representatives' judgment, is material and adverse or (v) any material disruption of settlements of securities or clearance services in the United States that would materially impair settlement and clearance with respect to the Securities or (B) in the case of any of the events specified in clauses (i) through (v), such event singly or together with any other such event specified in clauses (i) through (v) makes it, in the Representatives' judgment, impracticable to market the Securities on the terms and in the manner contemplated in the Pricing Disclosure Package and the Prospectus. If the Representatives elect to terminate the Underwriters' obligations pursuant to this Section 10, the Company shall be notified promptly in writing.

(b) If (i) this Agreement is terminated pursuant to Section 10(a) or (ii) the Underwriters decline to purchase the Securities for any reason permitted under this Agreement, the Company agrees to reimburse the Underwriters for all out-of-pocket costs and expenses (including the fees and expenses of its counsel) reasonably incurred by the Underwriters in connection with this Agreement and the offering contemplated hereby.

11. Default by One or More Underwriters. If on the Closing Time or any applicable Date of Delivery, any Underwriter defaults in the performance of its obligations under this Agreement, the remaining non-defaulting Underwriters shall be obligated to purchase the Securities that the defaulting Underwriter agreed but failed to purchase on the Closing Time or any applicable Date of Delivery in the respective proportions that the principal amount of Securities set opposite the name of each remaining non-defaulting Underwriter on Schedule I hereto bears to the total principal amount of Securities set opposite the names of all the remaining non-defaulting Underwriters on Schedule I hereto; *provided*, that the remaining non-defaulting Underwriters shall not be obligated to purchase any of the Securities on the Closing Time or any applicable Date of Delivery, or if the aggregate principal amount of Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase on such date exceeds 10% of the aggregate principal amount of Securities to be purchased on the Closing Time or any applicable Date of Delivery. If the foregoing maximums are exceeded, the remaining non-defaulting Underwriters, or those other Underwriters satisfactory to the Underwriters who so agree, shall have the right, but shall not be obligated, to purchase, in such proportion as may be agreed upon among them, all the Securities to be purchased on the Closing Time or any applicable Date of Delivery.

If other Underwriters are obligated or agree to purchase the Securities of a defaulting or withdrawing Underwriter, either the remaining Underwriters or the Company may postpone the Closing Time or any applicable Date of Delivery for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in the Pricing Disclosure Package, the Prospectus or in any other document or arrangement.

If the remaining Underwriters or other Underwriters satisfactory to the Underwriters do not elect to purchase the Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase on the Closing Time or any applicable Date of Delivery, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter or the Company.

As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context requires otherwise, any party not listed in Schedule I hereto that, pursuant to this Section 11, purchases Securities that a defaulting Underwriter agreed but failed to purchase.

Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company for damages caused by its default

12. Representations and Indemnities to Survive. The respective indemnities, representations, warranties and agreements of the Company and the Underwriters contained in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall survive the delivery of and payment for the Securities and shall remain in full force and effect, regardless of any investigation made by or on behalf of any of them or any person controlling any of them.

In our examination, we have assumed the genuineness of all signatures, including endorsements, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photostatic copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinion stated herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and others and of public officials, including those in the Secretary's Certificate and the factual representations and warranties contained in the Underwriting Agreement.

We do not express any opinion with respect to the laws of any jurisdiction other than the laws of the State of New York ("Opined on Law").

As used herein, "Transaction Agreements" means the Underwriting Agreement, the Indenture, the Supplemental Indenture and the Notes Certificate.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, we are of the opinion that the Notes Certificate, when duly executed and delivered by duly authorized officers of the Company and when duly authenticated by the Trustee and issued and delivered by the Company against payment therefor in accordance with the terms of the Underwriting Agreement, the Indenture and the Supplemental Indenture, will constitute a valid and binding obligation of the Company, enforceable against the Company in accordance with its terms under the laws of the State of New York.

The opinion stated herein is subject to the following qualifications:

(a) the opinion stated herein is limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws affecting creditors' rights generally, and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(b) we do not express any opinion with respect to any law, rule or regulation that is applicable to any party to any of the Transaction Agreements or the transactions contemplated thereby solely because such law, rule or regulation is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(c) except to the extent expressly stated in the opinion contained herein, we have assumed that each of the Transaction Agreements constitutes the valid and binding obligation of each party to such Transaction Agreement, enforceable against such party in accordance with its terms;

(d) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Agreement relating to any indemnification, contribution, exculpation, release or waiver that may be contrary to public policy or violative of federal or state securities laws, rules or regulations;

(e) we do not express any opinion with respect to the enforceability of Section 1.13 of the Indenture to the extent that such section purports to bind the Company to the exclusive jurisdiction of any particular federal court or courts;

(f) we call to your attention that irrespective of the agreement of the parties to any Transaction Agreement, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, we call to your attention that we do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Agreement; and

(g) to the extent that the opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Agreement, the opinion stated herein is subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law sections 5-1401 and 5-1402 and (ii) principles of comity or constitutionality.

In addition, in rendering the foregoing opinion we have assumed that, at all applicable times:

(a) the Company (i) was duly incorporated and was validly existing and in good standing, (ii) had requisite legal status and legal capacity under the laws of the jurisdiction of its organization and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Agreements;

(b) the Company had the corporate power and authority to execute, deliver and perform all its obligations under each of the Transaction Agreements;

(c) each of the Transaction Agreements had been duly authorized, executed and delivered by all requisite corporate action on the part of the Company;

(d) neither the execution and delivery by the Company of the Transaction Agreements nor the performance by the Company of its obligations thereunder, including the issuance and sale of the Notes: (i) conflicted or will conflict with the articles of amendment and restatement of the Company or the bylaws of the Company, (ii) constituted or will constitute a violation of, or a default under, any lease, indenture, instrument or other agreement to which the Company or its property is subject (except that we do not make the assumption set forth in this clause (ii) with respect to those agreements or instruments which are listed in Part C of the Registration Statement or the Company's Annual Report on Form 10-K), (iii) contravened or will contravene any order or decree of any governmental authority to which the Company or its property is subject, or (iv) violated or will violate any law, rule or regulation to which the Company or its property is subject (except that we do not make the assumption set forth in this clause (iv) with respect to the Opined on Law);

(e) subsequent to the effectiveness of the Indenture and immediately prior to the effectiveness of the Supplemental Indenture, the Indenture has not been amended, restated, supplemented or otherwise modified in any way that affects or relates to the Securities; and

(f) neither the execution and delivery by the Company of the Transaction Agreements nor the performance by the Company of its obligations thereunder, including the issuance and sale of the Notes, required or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

We hereby consent to the reference to our firm under the heading "Legal Matters" in the Preliminary Prospectus and the Prospectus. In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations. We also hereby consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement. This opinion is expressed as of the date hereof unless otherwise expressly stated, and we disclaim any undertaking to advise you of any subsequent changes in the facts stated or assumed herein or of any subsequent changes in applicable laws.

Very truly yours,
